One Last Look

It is 1999, the last year of the decade, of the century, of the millennium. For the class of 1999, it is also the last year of our high school careers. When we began, it seemed as if we would never be in the positions that we are today. We are though, and on our way we have created memories that will last a lifetime.

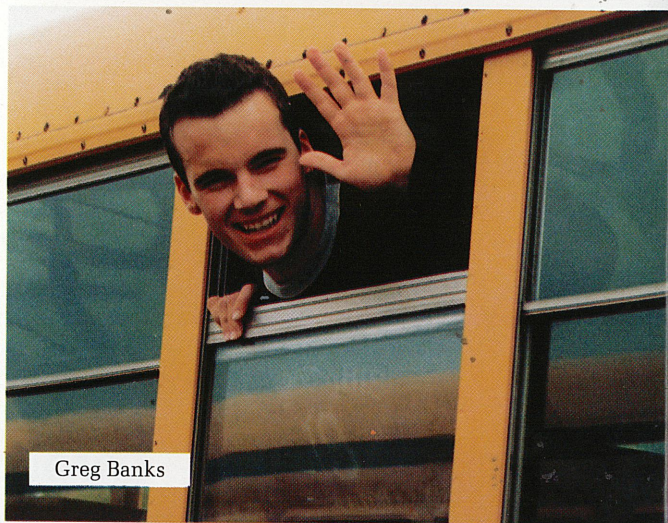

Looking at a timeline, we can realize the advances that have been made to this point. One thousand years ago, the very continent that we live on was not known to the world. Just two hundred years ago, our nation was beginning. We are accustomed to things and ideas that were not even plausible just one generation before us. Common conveniences that we use day in and day out, such as computers and automobiles were just primitive models fifty years ago. Even in our lifetime, there have been outstanding accomplishments that will change our lives even more. With the click of a button we are able to have a wealth of information at our fingertips and communicate with people around the world instantaneously, just by "surfing the web." The idea of cloning becoming a reality is another indication of our progression as a society.

Just as the world has advanced through the ages, so have we as a class. Each of us has experienced his own successes and will determine his own future. Although each of us may be headed in a different direction, we all can reflect on the experiences we have had together. Now is the time when we must look to the future, while we remember the past, which is why we take *One Last Look* . . .

As seniors begin their final year at Kiski, they must make many important decisions regarding their future. It seems like only yesterday they entered Kiski as freshmen. Now they are taking *One Last Look* at their high school years, as they prepare to head off to a new phase of their life.

We Believe!!

Kiski Spirit is in full swing at the Big K!
-Cheerleader Sponsor, Miss Mattu

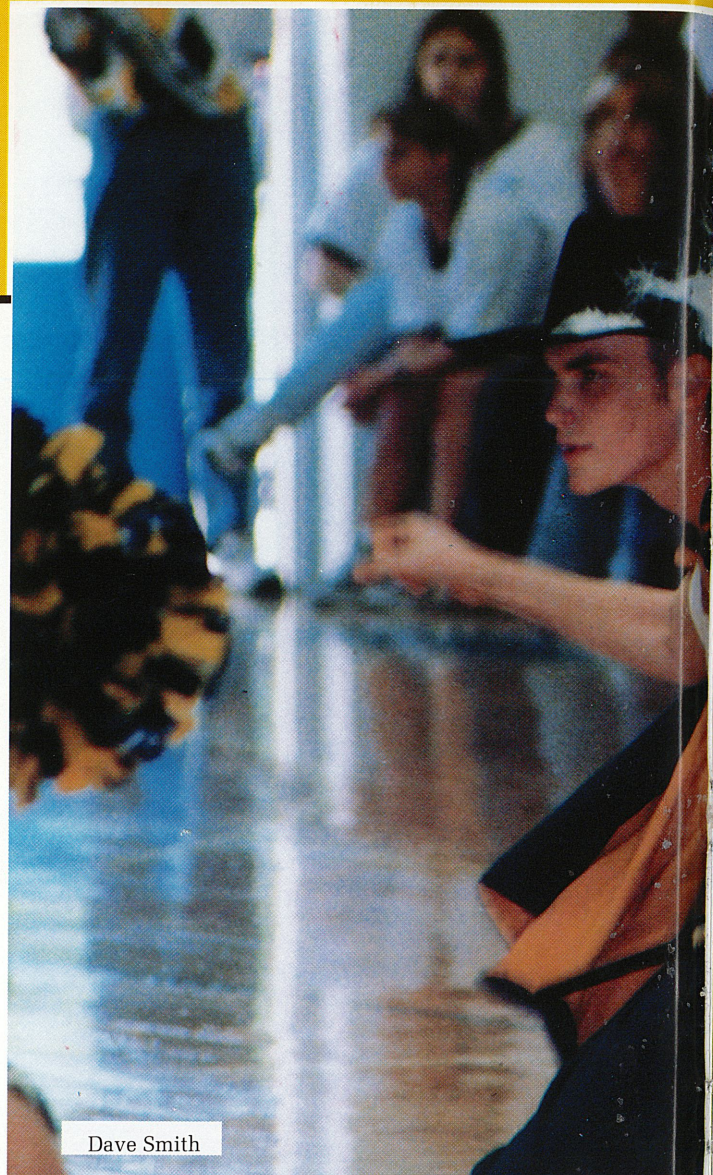

This year the school spirit of Kiski students was given a boost starting the first day of school. Colorfully painted windows with creative expressions of spirit greeted the students upon their arrival. Everyone seemed to enjoy this courteous effort from the Pride Club, "It is really nice of the Pride Club to try to get us excited for the start of a new year," comments Nathan Arabia, junior.

This early burst of school spirit must have started the student body off on the right track, their school spirit has been evident ever since. There was a resounding response to this year's spirit week, it was a fun and creative idea for students to wear different types of clothing to show their Kiski Pride.

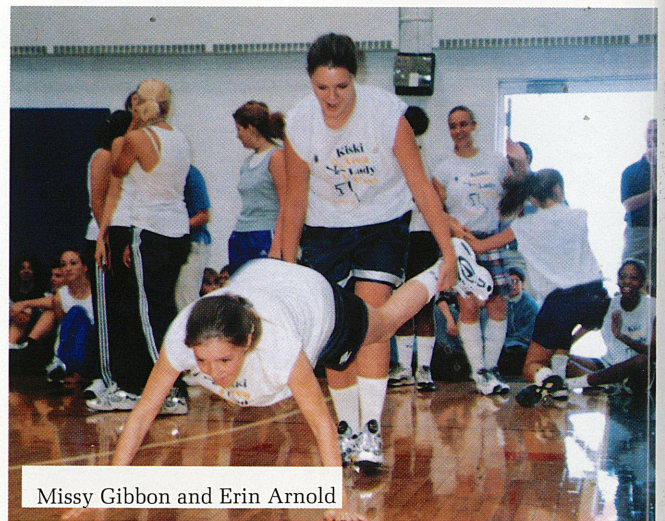

These different spirit activities and increased number of pep assemblies encouraged students to attend upcoming games. Junior, Justin Bieranoski, says "There are a few faithful students that are sure to attend every game." These are usually the students that take advantage of the available face-painting and spirit tags. They are also sure to join in with the cheerleaders on the call-back cheers, screaming, "We say Kiski, you say Cavs!"

This is definitely a change from the past when school spirit was at a devastating low. School spirit is on the rise at Kiski and hopefully more students will get involved in years to come. Next time you can show your pride in Kiski by doing something as simple as wearing crazy socks, don't be afraid to join in. Let everyone know how much you love your school!

A Friday pep assembly is never dull with the enthusiasm of everyone involved. The Pride Club can always be counted on to keep Kiski Spirit alive. Here Kiski seniors enjoy their final season of fall athletics by participating in a relay contest.

...what's in your future?

Future...I just want to make it through my senior
year and graduate!

—Anonymous

As our time to leave high school approaches, all of us are excited and nervous about what is to come. We all have questions that we ask about next year. "What will life be like when next year comes around? Will I be in college? Will I enlist? Will I go right to work?" Even those who have already received acceptance to various colleges wonder, "Will I like my future roommate?" And later, "What about after college, will I be able to find a career?" All these questions seem to multiply as we become more uncertain. Sometimes it is so frightening to think about how little we know about what is to come, that we can become paralyzed with doubt.

In times like this, some get depressed. We start thinking of all the friends we have, and everything we have done. Others concentrate on living every last moment to its fullest, and doing everything except thinking about tomorrow. Reminiscing about yesterday may just make goodbyes longer, and leads to thoughts like, "things will never be as good as they were." At the same time if you concentrate on living it up every minute of every day, you will find yourself ill prepared when the future finally does arrive.

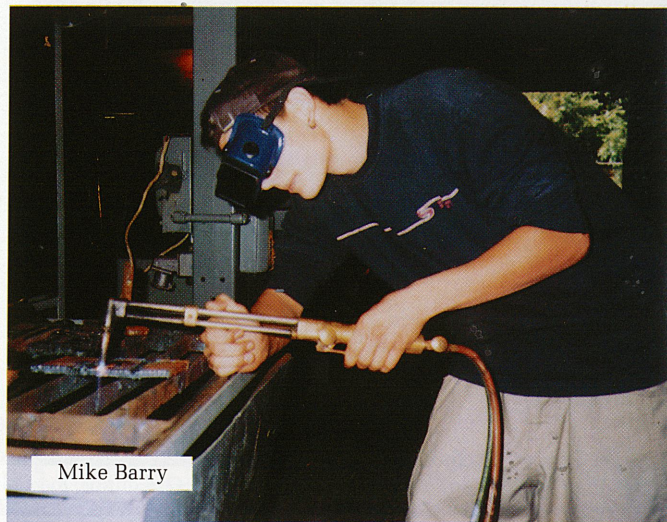

In the end, we all will have to spend some time with our memories, and spend some time together making the most of life; however, we must also remember to prepare and plan for the future. If we are ready when tomorrow comes, and do everything we can to prepare for it today, it will be a better day for our efforts. Rather than asking questions about tomorrow that we can't answer, instead ask questions about things we can answer such as, "Have I done everything I can to prepare for tomorrow?" Thinking about tomorrow, should excite us rather than scare us. What new challenges wait just over the horizon? How many friends are waiting to be made? These are the kind of questions that should come to mind when we think about the future. So remember, even as the end seems to draw near, it is only another beginning. A new day in our lives is coming and we should face the rising sun with determination and excitement.

The recipe for success is to balance your life between yesterday, today, and tomorrow. The key is to build on the past, live in the present, and always. . . look to the future.

Students begin to prepare and plan ahead as they "Look Toward The Future." Regardless of what the future holds, whether it be athletics, academics, or the work force, there are sure to be many difficult tasks ahead.

The Music Man

The Music Man was performed here in the Kiski Area High School auditorium on Wednesday, March 18 through Saturday, March 21, 1998. Almost every one of these four performances was a sold-out performance.

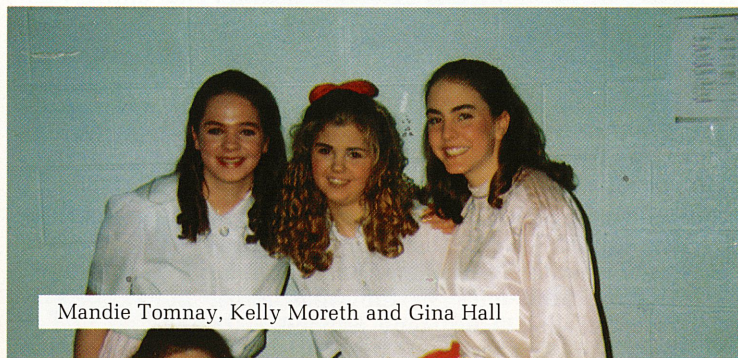

"The Music Man" is the story of a traveling salesman, named Harold Hill, who comes to the town of River City. He poses as a music instrument salesman and band director. Harold uses the new town billiard table as the cause of the children's demise. Harold attempts to win over the town librarian and music teacher, Marian Paroo. He eventually gets caught as being the swindler that he really is. By this time, though, Harold has already decided to change his ways. At the end of the musical, Harold and Marian ultimately end up falling in love.

The leads in the musical were played by Ed Conroy and Robin Sproull, as Harold Hill and Marian Paroo. The performances of all the supporting cast were excellent as well. The pit band should also be commended for their work. They made the show come alive with their musical renditions.

While focusing on the superb performances by the cast of "The Music Man," let us not forget all the people behind the scenes who made the performances a success. Miss Mattu and Mrs. Poleski led the make-up crew, and Miss Slater organized all the costumes. These individuals and their staffs helped everything backstage run smoothly. The stage crew also devoted many hours designing and building all the sets. They were wonderful and accurately depicted the scenes. Finally, the publicity committee headed by Ms. Samantha Routh, deserves credit for all the posters that were hung around the school and at local businesses. Without the advertising done by these dedicated individuals, the musical would not have been such a success.

Everyone seemed to enjoy the musical very much. Parents and students commented on the incredible talent of the cast. Katrina Coleman had the right outlook when she said, "I thought the musical was excellent this year. I feel that with the immense talent here at Kiski, the musicals will continue to get better every year." With the success of "The Music Man" this year, it looks like that will be a very likely possibility. Thanks again to all who helped to make this year's musical great!

These Kiski Area students are anything but shy as they display their theatrical talents. Through much hard work and dedication the drama department has flourished. With the overwhelming response from the entire student body, it appears that drama is here to stay!

..... Homecoming

April Kirchartz Crowned Kiski's New Queen

I was so shocked to hear my named being announced. Then I just relaxed and enjoyed the moment.

—April Kirchartz

Contrary to past beliefs, Homecoming week is not just about crowning a queen. It is a week all of Kiski's students, and alumni, get together and reminisce about the good times and look forward to the future. Although only six girls consisted of the Court, every student was able to join in on the fun and make the 1998-1999 Homecoming week the most memorable yet.

Prior to the football game, an assembly in Kiski's gymnasium was held in honor of the court. The girls got the chance to promenade across the floor on the arms of their escorts one last time before one of them was crowned queen. No matter the outcome, each girl was flattered to be a part of such a special event.

At the game that evening, the stands were packed with family members, faculty, friends and Kiski students of all ages. Many graduates even returned to support the team and learn who would be chosen as Kiski's new queen. Finally, it was announced that the 1998 Homecoming Queen was... April Kirchartz. April's escort was Zach Lee.

All who participated in Homecoming week enjoyed themselves. The opportunity to be with friends, old and new, and to support the school in unity were much appreciated. This Homecoming week has, undoubtedly, left its mark and will be with the students always.

— Stephanie Barrone

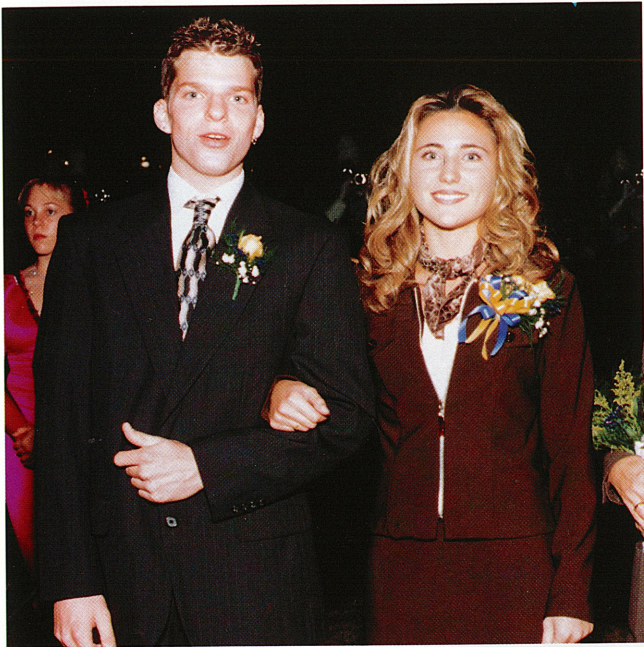

1998

Hearing her name announced, April gets congratulated by her escort, Zach Lee. Then, last year's queen, Camille Vaglia, delivers one dozen roses and hands over her crown to April. Heading to the endzone for pictures, April still is overwhelmed with excitement, as she begins her new role as Kiski's Homecoming Queen.

Yearbook Staff

Working to create a memorable yearbook is a neverending yet very rewarding experience.

—Editor-in-Chief, Rachel Gray

Every year there's a hum of excitement on yearbook day. People exchange signatures and final thoughts of the year. But does anyone think of all the work it took to make the yearbook what it is? The people who put in all the time and effort to produce the yearbook are the *Campus* yearbook staff.

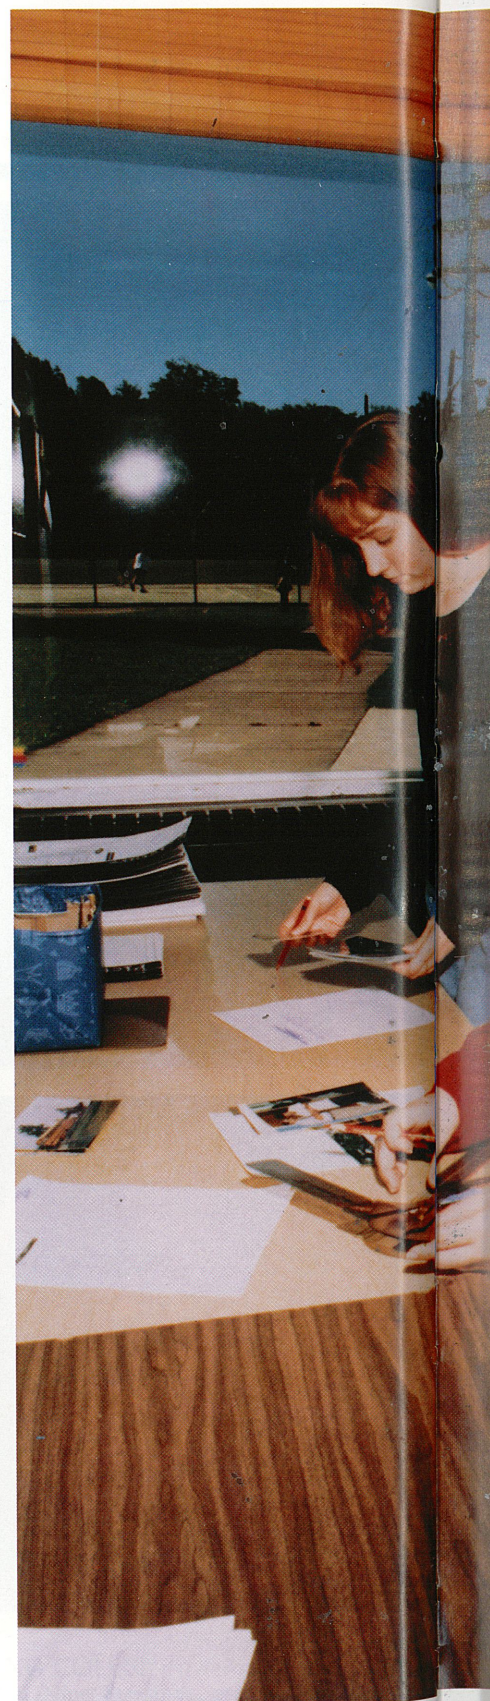

Each year, the staff puts in countless hours, beginning in the spring, into producing the yearbook. First a theme needs to be chosen. Then the cover and endsheets are designed. In the meantime, the photographers are busy taking pictures, the business staff is busy selling ads, and the literary staff starts interviewing and writing articles. This year, the staff was led by Rachel Gray, editor-in-chief. Rachel was assisted by Lisa Bohaychick, Sonya Cline, Elissa Doyle and Sheila Shurina. The junior editors, Ashley Waddell and Nicole Amato, were paying close attention to everything being done in order to prepare for their senior year's book. The entire staff is under the direction of faculty advisor, Mrs. Kimberly Poleski.

This year's yearbook is sure to be better than ever, as we take "One Last Look" at Kiski Area High School.

Preparing for College...

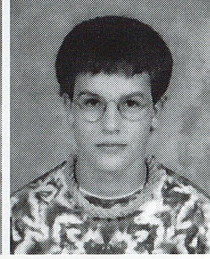

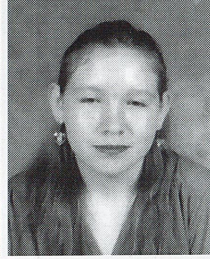

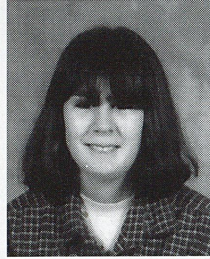

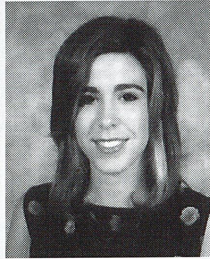

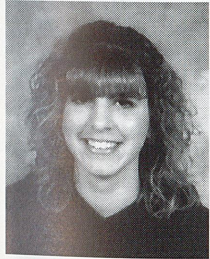

The members of the junior class need to begin preparing for their future. Chad Staller works diligently on his Chemistry Lab, while Deanna Young writes up some notecards for English. Both are college bound and must concentrate on their studies.

To Bring or Buy... that seems to be the question!

Junior Jonathan Boland prefers to buy from the Cavalier Cafe, while James Salyers brings his own lunch every day.

According to Mrs. Fee, Food Service Director, approximately 91% of the high school population buys a lunch from the cafeteria.

Chorus teacher Mrs. Ellen Rupert can always be found singing in her room. She is responsible for all of the chorus classes as well as Jazz Rock and Show Choir. Thanks to her dedication, Kiski has a marvelous vocal music department.

Mr. Dudzik spends countless hours in his room working on the computers with his students and with the Internet Club. He teaches Computer Programming and Advanced Computer Programming.

Faculty

High School Administration

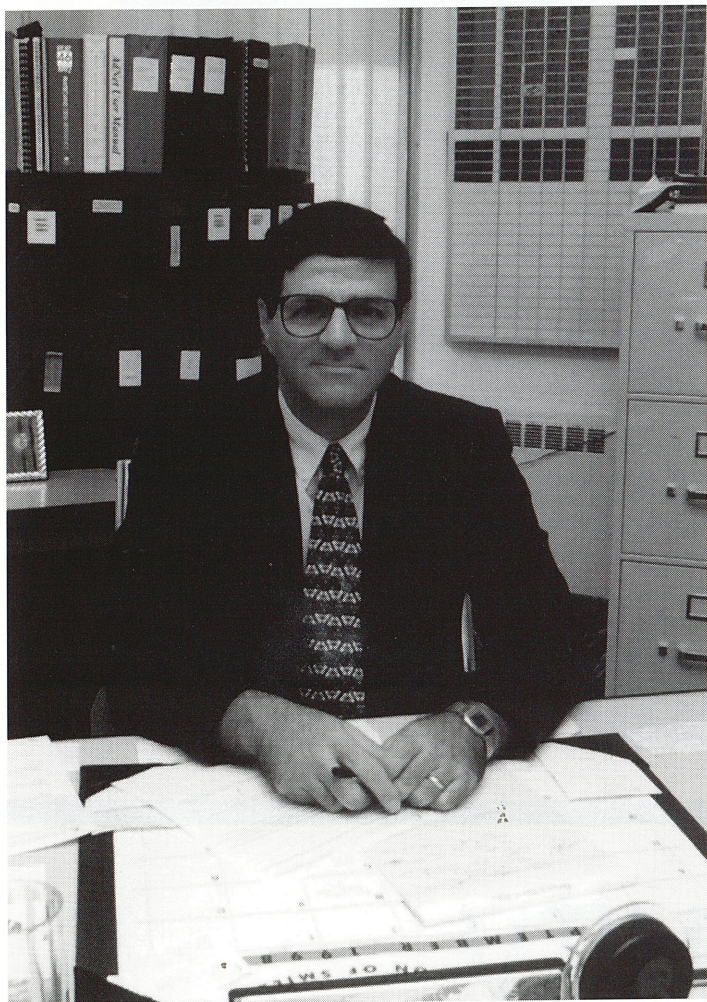

Kiski Area is known for many outstanding attributes. One such category is its faculty. Our faculty ranges from teachers to guidance counselors, administration, and secretaries that provide students with a well-rounded education.

In the classes teachers are determined to teach us the works of Shakespeare and the many theorems in Geometry, but they also provide a social outlet by sponsoring clubs and coaching various athletic teams. Dr. Millie Pipman has been the sponsor for student council for several years. She feels, "One reason Kiski is such a great school is because so many faculty members offer their time to be involved with the students." New clubs such as the Pride Club, sponsored by Ms. Mattu and the Multicultural Club, led by Mr. Zielinski and Mr. McKenzie, are just a few more examples of faculty interacting with students.

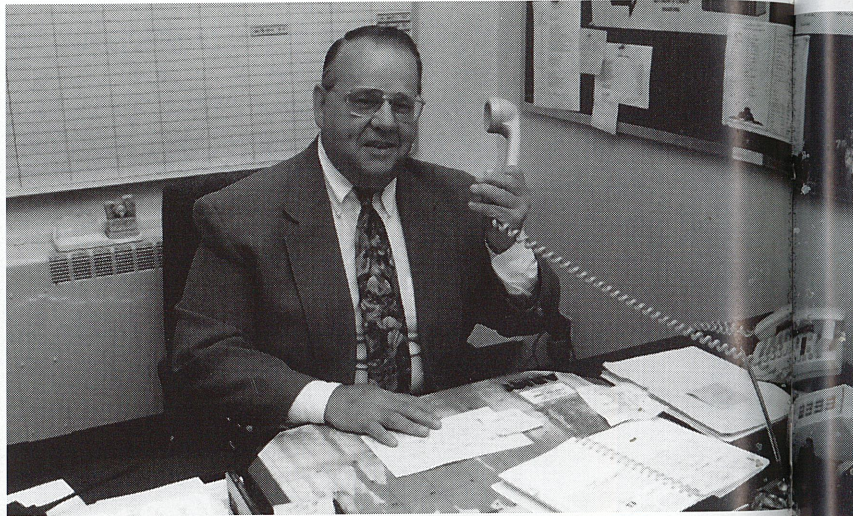

The big man on campus this year is Mr. Anthony Nicholas. He has taken on the job as principal of the high school. Mr. Nicholas was already well known throughout the area as a teacher and faculty member. Both students and other faculty members feel that he was definitely the man for the job.

Every member of the Kiski Area Faculty works together to provide all students with a strong, solid education. Long after we've left the halls of Kiski we will remember not only the education, but also all the memorable moments the faculty and staff of Kiski Area High School have provided for us.

Mr. Toland

Teacher of the Year

Many people often associate the word math with adjectives such as boring, confusing, and difficult. However, not all students feel this way. Many people at Kiski have found themselves enjoying math and much of the reason is Mr. Thomas Toland. For the past 28 years, Mr. Toland has found creative ways to make his students understand and enjoy the concepts of mathematics. Because of his tireless efforts and unwavering devotion to teaching, the class of 1998 has voted Mr. Toland as Teacher of the Year.

What does it take to become teacher of the year? If you have ever visited Mr. Toland's classroom you will find out. When asked what the best part of being a teacher is, Mr. Toland replied, "Working with the kids. When a concept finally hits home and you see the look on that students' face, there's nothing like it." While teaching, Mr. Toland is patient and understanding. He takes time to answer questions and makes sure no one is lagging behind. With the help of SOH CAH TOA the Indian and Foghorn Leghorn, two of Mr. Toland's creative helpers, many trigonometry students have found their homework much easier. Mr. Toland's efforts don't stop at the end of the school day. In order to help his students he offers an after school study session. This allows more in depth help with the material and a chance for Mr. Toland to teach the students on a one-to-one basis.

It is important for students to think a teacher cares about them, and Mr. Toland makes sure they know he does. Whether the topic is school, friends, or homelife, Mr. Toland is always there to talk to you. He would never turn away a student that needed help. Students can depend on Mr. Toland to listen or give advice. One student recalled a personal experience, "Mr. Toland is one of my favorite teachers. He switched my study hall for me so I could get extra help from him. I don't know of any teacher who would go to that much trouble for one student. It is nice to know he cares." Through this and countless other actions, it is evident that Mr. Toland cares very much about his students.

When asked what his feelings were he has found out he had been voted teacher of the year, Mr. Toland replied, "I was very honored and surprised." To the rest of the school, however, it came as no surprise. It takes a special person to have all the qualities that Mr. Toland has. He has worked very hard for many years to get students to understand math. Hundreds of students have benefitted from having Mr. Toland as a teacher. Leaving his classroom, one is not only a better student, but a better person as well. The class of 1998 would like to thank Mr. Toland for all he has done and continues to do. He has touched the lives of many and will remain in our hearts for years to come.

Academics

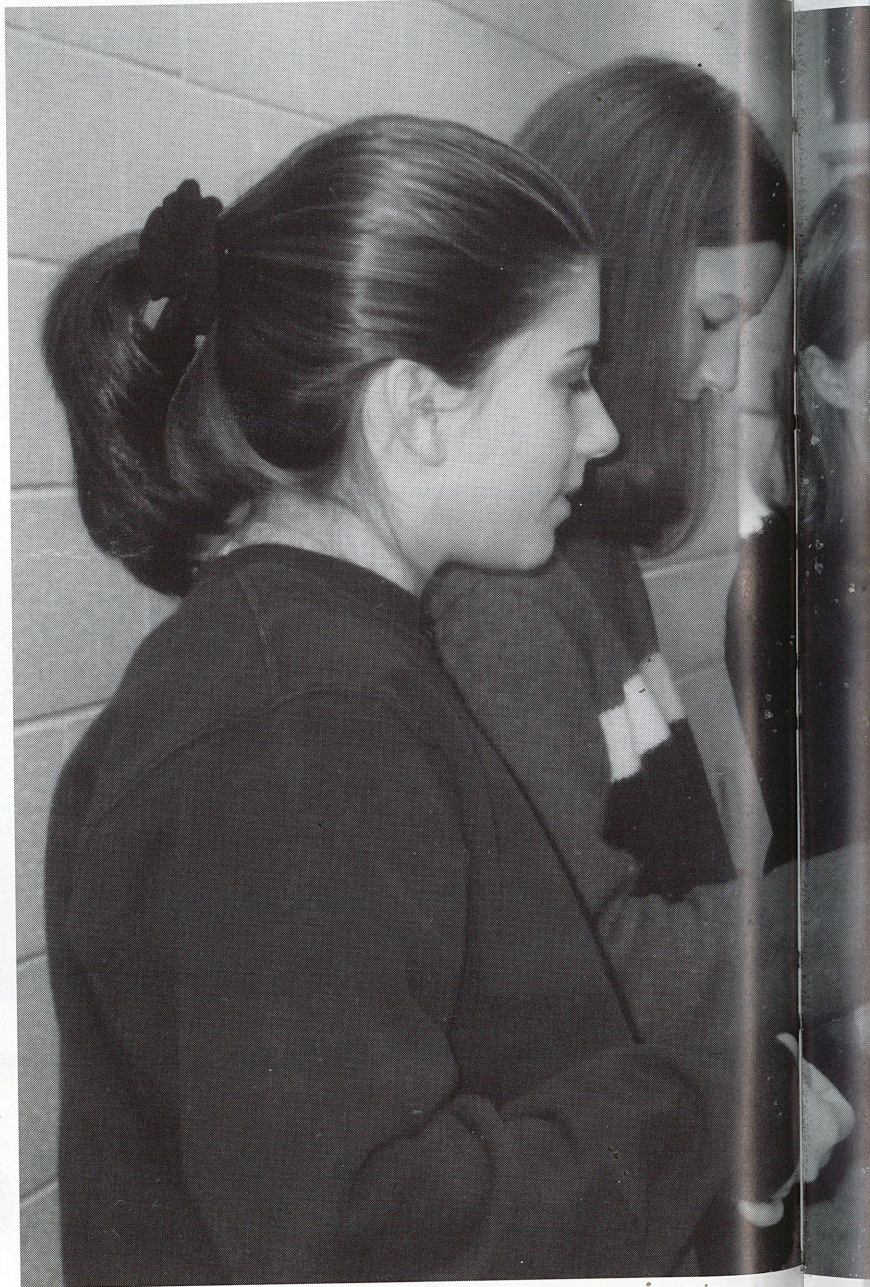

Preparing for Next Year

"My junior and senior years are crucial in determining what path I may follow in my future years." —Anonymous

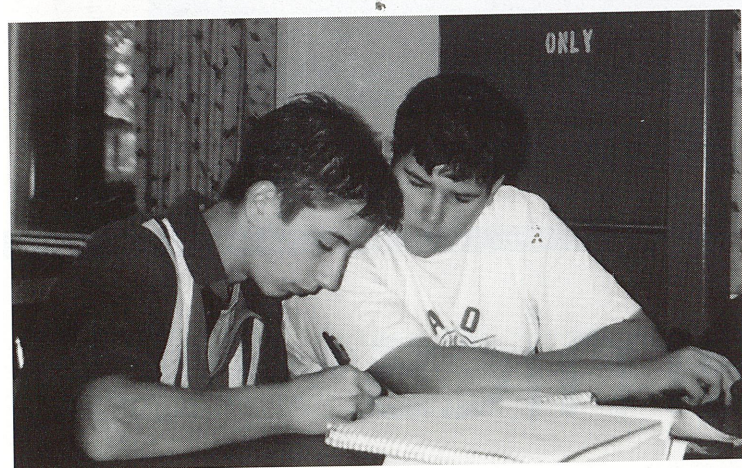

Academics: Webster's defines it as, "...having to do with general education, especially the kind that prepares students who plan to go to college." Here at Kiski the majority of students are planning to do just that and go on to some higher education. Although Kiski offers a variety of clubs and sports, we must realize that academics is the building block for these opportunities. In a world that is moving so fast and that is technologically equipped we are forced, no matter what occupation we may have, to expand our minds.

1999 will not only be a year of new beginnings, but one that academics will play an important role in. A good education is a key factor in today's competitive work force. Thomas Jefferson once said, "I find that the harder I work, the more luck I seem to have." That is just as true today as in his time. Academics have been playing important roles for many centuries and as time passes on, they become more and more vital in expanding knowledge. A quote from Poor Richard's Almanac states, "Genius without education is like silver in the the mine." Therefore, without academics, it wouldn't be possible to make the strides necessary for advancement in today's fast paced world.

The Kiski Area students who attend Northern Westmoreland Career and Technology Center, along with students from Franklin Regional, Valley, and Burrell, get the chance to learn in an environment very similar to the one that they will work in after graduation. This gives them the knowledge and experience needed in the workforce. Seniors especially get hands-on experience by working part time in the field they are in. This is why senior Roxanne Galloway enjoys Vo-Tech. She likes the fact that she gets hands-on experience in her field of Computer Programming, that will help her succeed after graduation.

There are a variety of fields you can choose from at the Career Center. Some of fields are Cosmetology, Auto Mechanics, Masonry, Medical Assistant, Culinary, Computer Programming, Machine Tool, and more. Students begin attending in 10th grade. We are... KISKI!

"We had an excellent squad and an excellent coach this year. I'd like to thank all of the girls for their continuous effort. Good luck to next year's varsity squad."

—Captain Erica Curci

One, two, three, four, its time to raise that score! This is a familiar chant heard by Kiski Area's student body at most sporting events. Who's responsible for shouting out these spirited words? The cheerleaders, of course. They are always there to cheer on the football, boys and girls soccer, boys and girls basketball, and wrestling teams. The cheerleaders have been working hard since June when they began their practices. The varsity cheerleaders are coached by Ms. Carisa Mattu. This is her second year as varsity head coach. This year the junior varsity and ninth grade cheerleaders have combined to form one squad.

The combination of the freshman and junior varsity squads has meant a great deal of hard work for the girls. They have done a great job cheering at both the ninth grade and junior varsity sporting events. Their dedication shows in their excellent performances.

The varsity squad has been working hard also. This year's varsity captains are Mandy Jones, Erica Curci, and Renata DelleDonne. All of the girls on the squad put a great deal of time and effort into planning games and pep assemblies. Senior, Renata DelleDonne says, "We try to do what the student body enjoys at every game. Sometimes it takes a little more work, but we have fun trying to think of ways to get the fans involved."

The cheerleaders do a great job of involving the fans. It hasn't all been easy though. Mandy Jones, senior, remarks, "It's been a tough year, but we've all managed to overcome our differences and perform well together." This is evident in their performances at basketball games and pep assemblies. The girls take great risks to entertain their audiences. They go above and beyond what is expected from them. They are able to do this because of their extreme talent and hardwork.

These girls always do their best to keep Kiski pride alive. Next time there is a game or pep assembly, make sure you're there to see a great performance by the Kiski Area Cavaliers.

Going the Distance

Cross Country takes a lot of commitment and dedication. I am glad I chose to compete in the sport.

—Corey Amsler

What kind of person does it take to RUN for five kilometers (3.12 miles) at a race? The answer can be found by staying after school between the months of August and November. Just watch the track and eventually you will see a Cross Country runner. The Cross Country team begins practice early on, at the end of June and the start of July. They go through a rough schedule of intensive endurance workouts, and training in running form. It takes a lot of time to prepare for a meet where the average competitor spends about 24 minutes, doing nothing but running, running, and more running.

This year was no exception, with the impressive record of the girls team and the enthusiasm from both teams, it was plain to see they were going somewhere, fast. The enthusiasm of Coach Argyros was a match for that of his runners. This year was also a unique year in that it was the largest Kiski team ever. After almost three months of preparation, the teams launched into two months of meets. The season was filled with outstanding performances from both teams.

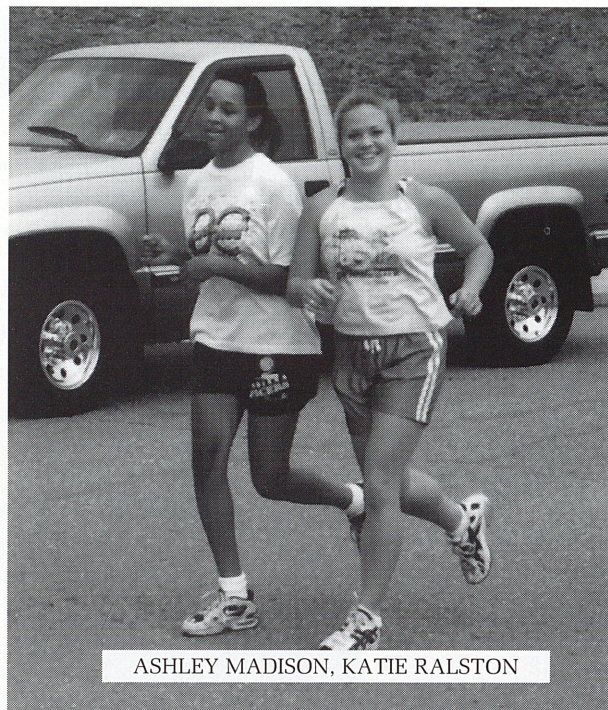

Although not as far as they had hoped to reach, both the girls and boys teams put up excellent performances, as attested to by Captain Katie Ralston. The efforts were commendable, and as the season ended, there was a great deal of enthusiasm still, for the upcoming Track season and for the next year. Although the team is losing three senior boys and two senior girls, they still have most of the varsity teams intact, and many runners eager to fill the holes created with the graduation of seniors.

So next year if you want to know what kind of person RACES three miles, then pay a visit to the Cross Country Team to see the hardworking athletes and who knows maybe you will find that you are that kind of person, too. Good season and good luck Cross Country.

Even though we didn't have the greatest record, we learned a lot about ourselves. We worked hard and hopefully the Latrobe game will provide momentum for next season.

—Dan Smith, Senior

Cold, fall weather, tons of blankets, cups of hot chocolate, seat pads, and screaming fans. This is a description of a Kiski Area football game. The football team began their practices in August. This year's varsity captains were Brad Poleski, Dan Smith, and B.J. Swartzlander.

Kiski's football team had a record of three wins and seven losses. This is quite an improvement from last year's record. The team was able to improve with the help of their new head coach, Mr. Dave Grimm.

This is Mr. Grimm's first year as head coach, and already there has been a welcome change in the record. Senior, B.J. Swartzlander says, "The players and coaches put a lot of effort into this season and even though we didn't have the greatest record, we were still very successful."

The team did provide a lot of close games for fans this year. Next year when the football season begins, try to bear the chilly weather to make it to a game. It's definitely worth it to see a great team play.

This year, the golf teams again had an impressive record. The girls, with only their second official season of competition, was led by Jodi Jarmul. The girls achieved much success, under coach Rich Mottura. "The team worked well together and with practice, they are sure to go far in years to come," stated Jodi.

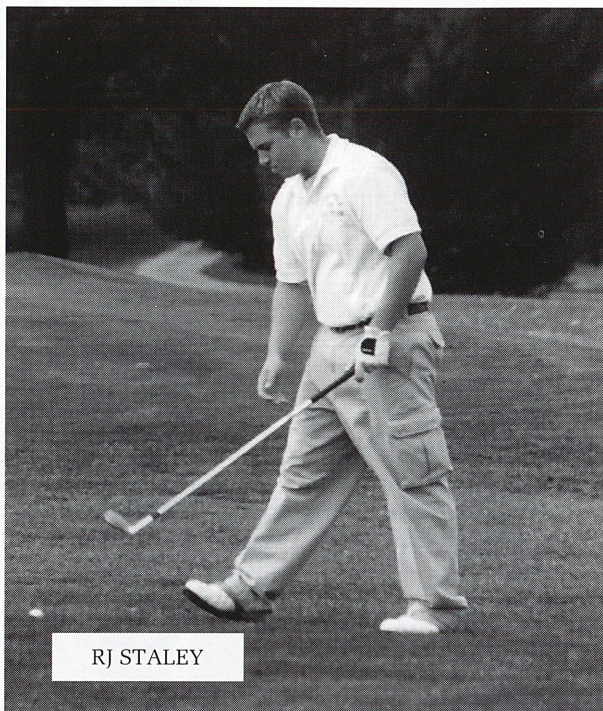

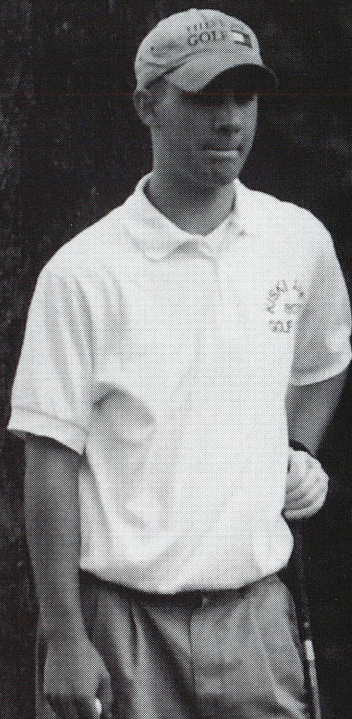

The boys golf team also had a successful season. They were led by senior captain R.J. Staley. Although their team was young (mostly sophomores and juniors), so was every other team in the section. The boys team is coached by Mr. Al Veselicky. He said that, "This year's team showed much improvement and I am proud of their success."

Even though the golf teams are relatively new, they have shown great effort and promise. In the years to come, Kiski Area's golf teams are sure to be a driving force in competition.

The 1998-99 Kiski Area hockey team consisted of a group of determined, hard working young men and they, like any other sports team, had one common goal: they wanted to win. However, they went from an undefeated season two years ago on a freshman level, to a huge adjustment this year to a varsity level.

Coached by Mr. Tim Toy and Mr. Pierce Miller, the hockey team held its head high throughout the season. Although they did not take first place, they did take advantage of the season as a rebuilding year for the team.

Senior Alternate Captains Shane Fishel and Steve Niksic assisted sophomore Captain, Sean Berkstresser. Also, Junior Alternate Captains Mike McFall and Dan McManus lended a hand in helping to lead and uphold the team.

The 1998-99 Kiski Area hockey team was well blended with strong athletes and genuine enthusiasm. Hopefully in the upcoming years their record will improve, but their great attitudes will remain the same.

—Lisa McClafferty

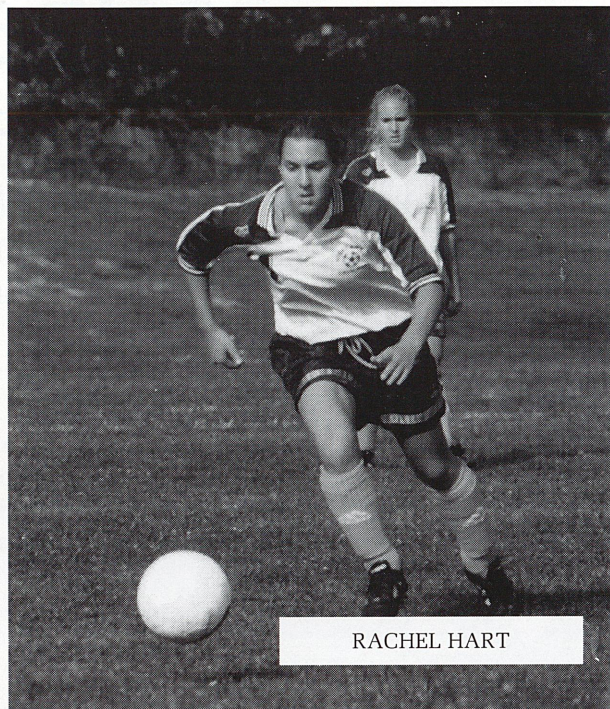

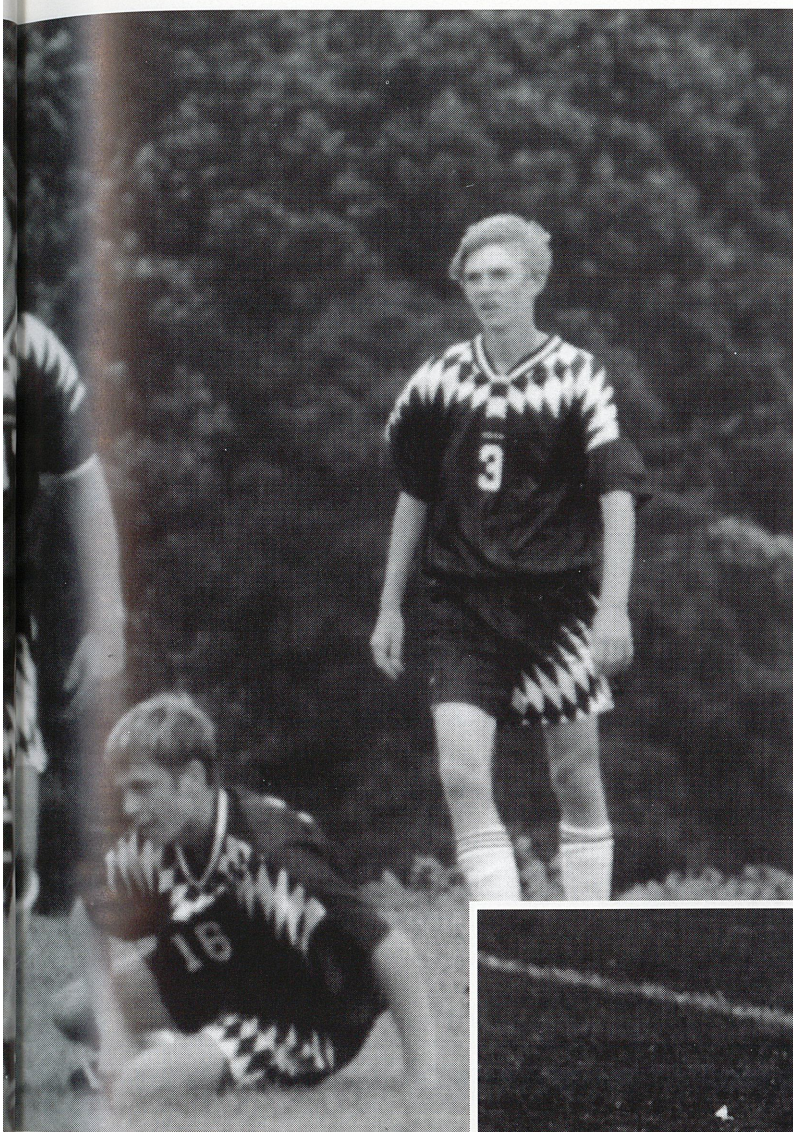

This year Kiski Area's soccer teams brought endurance, stamina, and productivity to a new level. These hardworking teams proved that Kiski sports are played with determination and great effort. Through the season which lasts from August to October, these players gave up their time to be a part of the soccer team. They worked diligently through the hot summer practices and grueling games. They strove to show the talent that each player possesses and the greatness they have as teams.

The girl's soccer team worked very hard this year. Under the leadership of Coach Berberich and Coach Cignetti they tried their best at every game. No matter what their record they came out of the season as winners; showcasing their talent and skill. Not only did the girls play well, but many friendships were formed. The girls became one big family. Junior player Lori Rich had many comments on this year's team, she stated, "I think we played really well as a team, even if the scores didn't show it. We all got along great!"

And of course who could forget the boy's soccer team. They too had a tough season requiring everyone's best efforts. Under the guidance of coaches Heder and Amato, the boys pushed themselves to the limit. This team was especially determined during tournaments and games, they always put their best foot forward. Senior player Chris Gardner was very enthusiastic about the season. He commented, "I thought it was a good season. Everyone worked really hard."

Most people may not be aware that tennis has become almost a year round sport at Kiski. The girls' season is the first half of the school year. Although the official start is in August, the girls begin practicing together in late spring. The team continues to compete in a difficult section, but continues to improve with their hard work. The team was led by Coach Ralph Antenucci, Senior Captains Cynthia Brougher and Rachel Resnick, and Junior Captain Chrissy Moran. Coach Antenucci felt the season was a success because of the girls' hard work and effort.

Only a few months later, the Kiski Area boys tennis team takes over the courts for the spring season. In 1998, the boys also continued to improve in their section. Despite losing several seniors, outstanding performances by Mike Rinaldi and D.J. Mastrangelo advanced them to WPIALS. The team was coached by Coach Lou Santia, Senior Captain Pat Coulson, and Sophomore Captain Mike Rinaldi. The boys expect this season to be a rebuilding year that will help to improve their skills and record. This positive outlook will certainly help them to achieve their goals.

With only having two seniors returning for this year's season, I think that we exceeded the expectations at the beginning of the year.

—Matt Synan

The boys' basketball team always draws a huge crowd to their games, and with good reason, too. Returning from a trip to the 1997 playoffs, the 1998-1999 boys' basketball team holds a promising future.

Coaches Mr. Dennis Rupert and Mr. Larry Rupert have a team of which they can be proud. The guys attitudes are always positive and they are always striving for excellence. Perhaps they can be described as perfectionists because it definitely shows in their games.

Quick to make the fans scream, the boys basketball team puts on a show at every game. Slam dunks, blocks, rebounds, nothing but net! The Kiski Area basketball team can do it all- and they do. Senior Captains Brandon Crusan and Matt Synan led the team in keeping their flawless name as an outstanding athletic organization.

The 1998-1999 boys' basketball team stands out among the rest because of their determination to be number one. With the support from the fans and the extraordinary abilities, number one is not far off.

We had a really great season! The fact that we give 110% in practices and in games gives us the focus to beat everyone. For the future KA girls Basketball Team—continue to work hard and you will accomplish anything.

Swish! The ball gracefully goes through the hoop and once again the crowd is on their feet and cheering. This is a typical scene from a home game during the girls basketball season. This year's Lady Cavaliers are looking better than ever. If you've ever been to a game you've seen them work the court. With the combined efforts of various grade levels the team has what it takes to win. Dribbling, shooting, and passing are three skills that this year's team do exceptionally well. Each team member brings something to the team that helps make the girls even stronger. Practicing months before the season starts has helped the team get to know each other and work well together. Under the direction of Mr. Pipkins, the varsity coach, and the help from Mr. Lucchino and Linda Kiebler, the team has learned to work together and help each other. One of the four Senior Captains, Missy Gibbon, feels that the team is working really hard this year. "We have a lot of individual talent, so as long as we can pull together and play as a team, we can compete against anyone."

It seems that every year Kiski finds girls with a lot of talent to play basketball for our school. This year is no exception, the girls had big shoes to fill this year and they definitely proved themselves.

Breaking the Waves

The season has been great! The team as a whole has improved tremendously from past years. The attitude of the team has done a complete "360." I am extremely pleased with the outcome of the season!

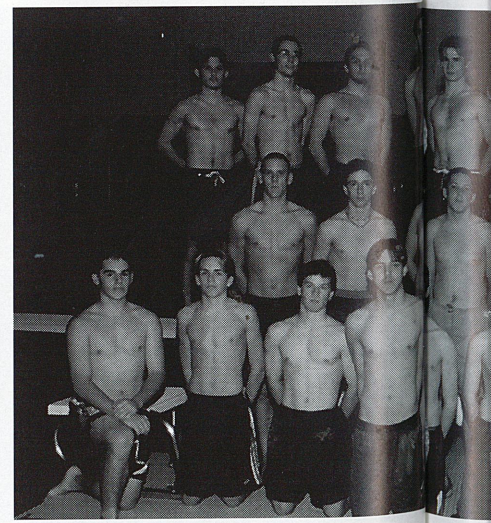

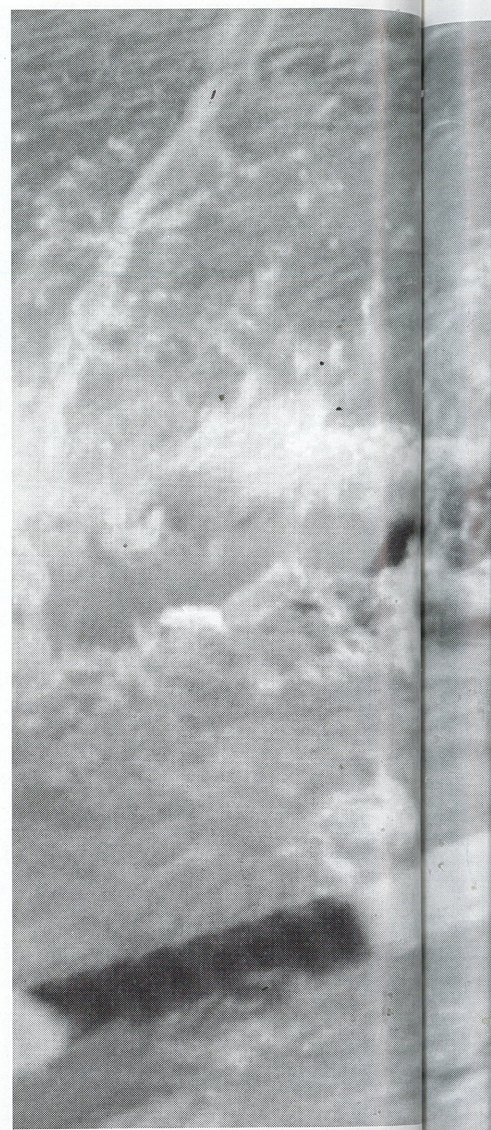

—Anna Lingeris

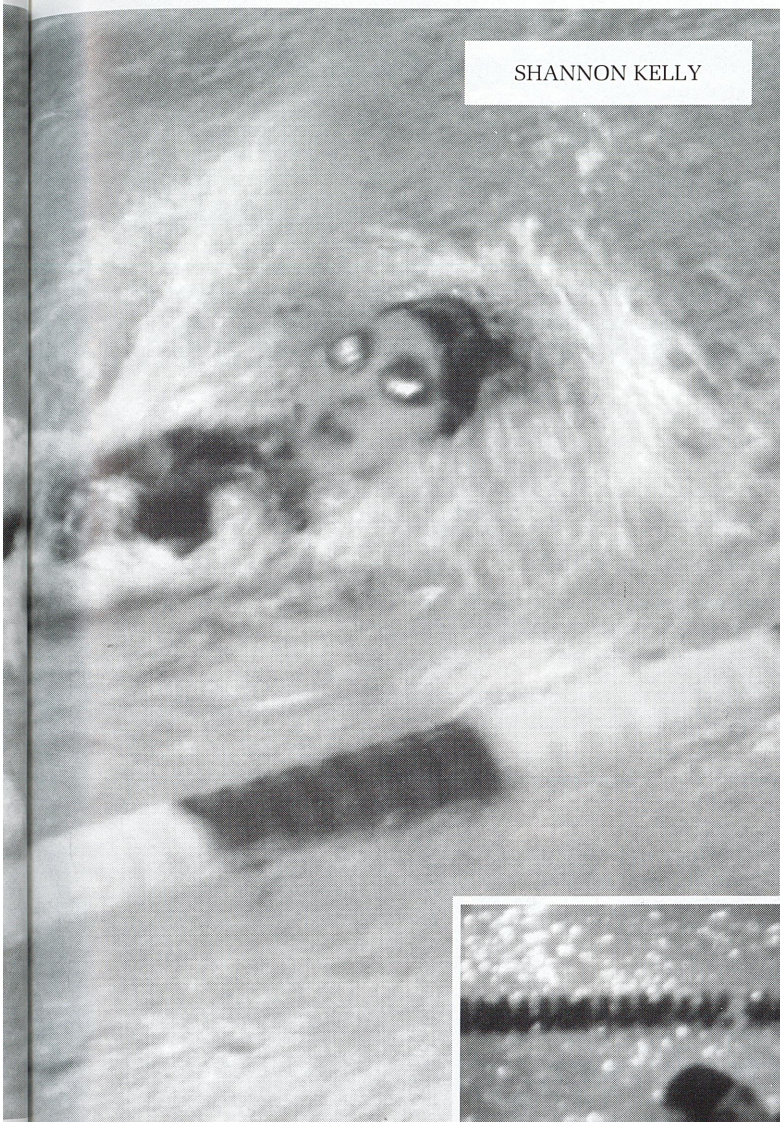

"Timers Ready? Then take your marks. Go. Splash!" Wait a second, "Splash?" That is right, it's time for swimming. Not just playing around in the water, the Kiski Area Swim Team covers many different types of swimming from sprinting 50 freestyle, to a distance event called the "500 free." But the varsity does not stop there. Swimming events also include the backstroke, breaststroke, butterfly, and the 200 IM, where you do all four strokes. Add diving to that and you get a fairly large package for a meet. That is what Swim Team is all about, the meets have about 12 girls and 12 guy events that cover everything you could possibly time or measure that can be done underwater.

This year was perhaps the most unique for the swim team yet! This is the second year that Kiski has had a full time diving coach, and there was also a new head coach, Mr. Ryan Berberich. As always a change in coaches is a big thing to the team. Once the season was finally underway, the practices went under water, and the real crunch began. The swim team practices 2 1/2 hours a day, six days a week. There are also voluntary morning practices on Tuesdays and Thursdays at 6:00 am. The captains for the guys teams are Dave Dobrosky and Brett Booth. The girls captains are Anna Lingeris and Amber Castelli. So far, there have been many very close meets. The girls are doing exceptionally well, considering they won their first two meets, which were the toughest of the season.

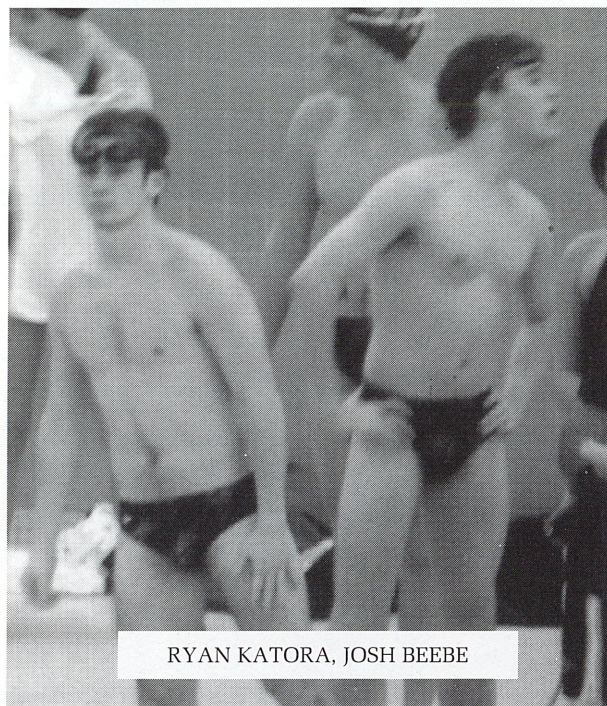

Best wishes to the entire team, and may they win the victories that their hard efforts and practices have earned.

TAKE *down*

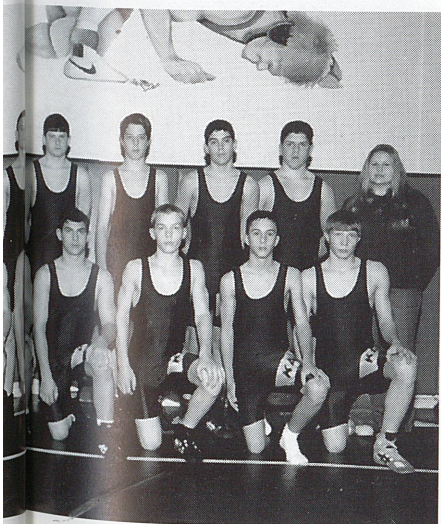

The season was very successful. The returning starters and the new starters all worked hard to achieve what we did.

—Anthony DiNinno

The Cavalier Wrestling team is known in the area as a strong and highly competitive team. In past years, they have dominated their section, and the 97-98 season was no different. Last year, the Cavaliers ended their season with a record of 15-2. They advanced to the quarterfinals, but lost a close match in the last minutes to Shaler, 27-25. The wrestlers were also recognized as one of the top five teams in the WPIAL.

The 98-99 season is now underway. The head coach, Mr. Chuck Tursky, feels that they have a real good, strong, team. This year's captains are Kevin Graham, Anthony DiNinno, Brian Egnatz and John Lorenz. Their goal is to go undefeated and make it to at least the Semi-Finals in the WPIAL. Best of luck to the 1998-1999 Wrestling Team.

—April Kirchartz

hitting for the FENCE

We are a young team with a lot of talent. We have high expectations for this season.

—B.J. Swartzlander

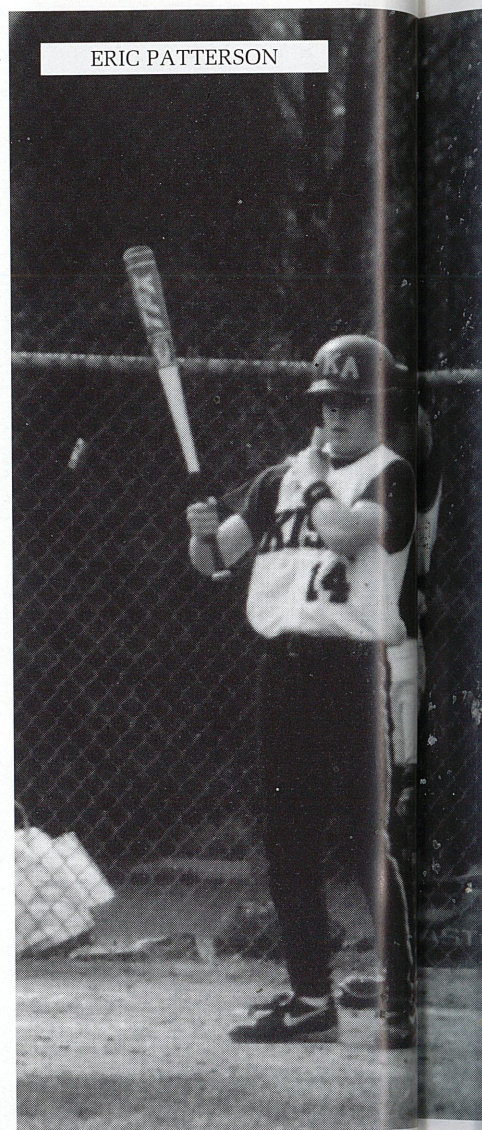

The 1997-98 baseball team began their practices in the warm spring days of March. After strenuous tryouts, the new team got right to work perfecting their swings in hopes of a winning season. Their hard work brought them a section record of seven wins and seven losses. Senior, R.J. Staley commented, "I think we've been practicing very hard, but the season hasn't gone our way."

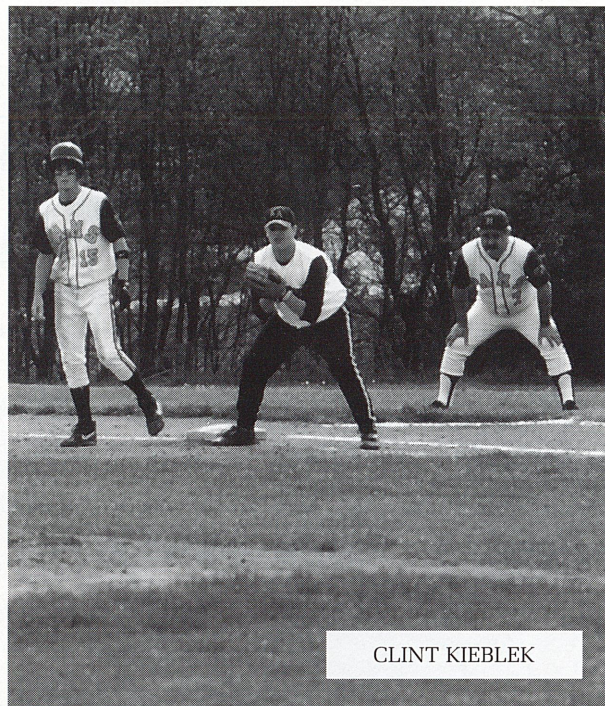

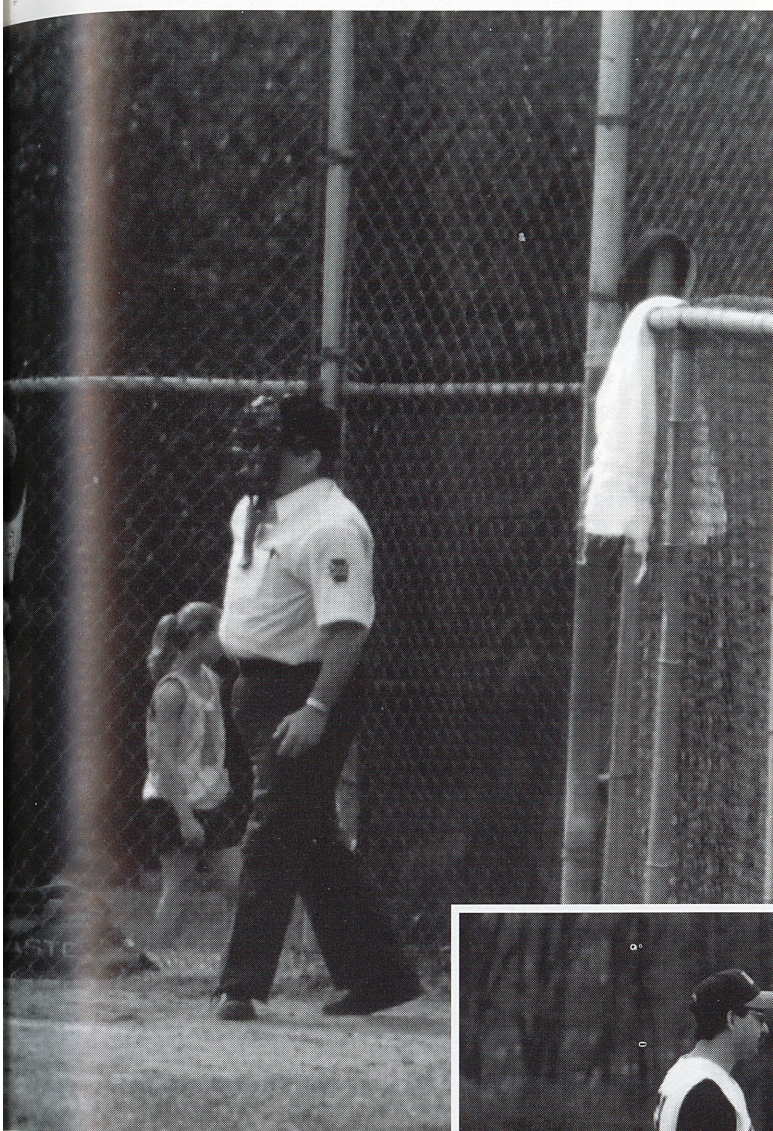

The team is coached by veteran coach Jack Jewart. Even though he didn't lead his team to a winning season, they broke even. This is more than most teams can say.

Next March when the flowers start to blossom on the trees and you look out the window at the freshly mowed field, clear your schedule so that you can cheer on Kiski's baseball team. All of their hard work and dedication deserves much praise from their fans.

LEAGUE *of their own*

The past season was great, and even though we are getting moved into a new section, we have high hopes and confidence that we will do well this coming season. We'll work hard and go out there to win. No matter what happens, we'll have fun doing it.

—Kayla Calorio

The 1998 softball team can be summed up in one word: TEAMWORK. "My teammates are very supportive. We cheer each other on, and that's what gets us through those tough games." Stephanie Barone made this remark, showing her fondness of the team. Coached by Diane Haney and Bob White, the girls feel that their season has been a rewarding one. Danielle Loughlin believes that the softball team will "continue to be successful as long as we keep working together."

Closeness, however, is not the only strength of the team. Hard work, skill, and positive attitudes are just a few of the qualities of this successful team. The team has found much success in the past, and hopefully their winning streak will continue on in future years. Best of luck to the girls softball team.

T *right on* Track

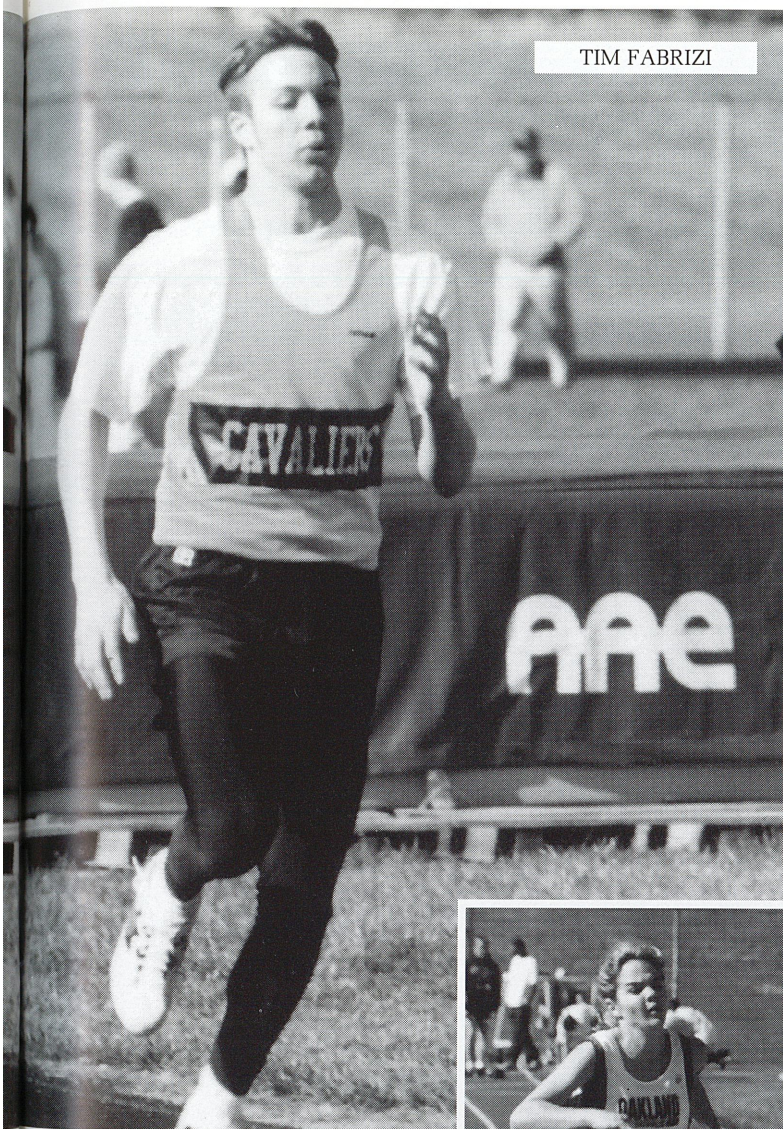

Kiski Area track season is about setting goals, determination, and team unity. "Go Hard or Go Home." Run the best you can with the talent you have and the training you've done, and you can call yourself a winner.

—Tim Fabrizi

In years past, the Kiski Area track team has been known for its outstanding athletes and their abilities. This year has been no exception. Both the girls and boys track teams have had an exceptional season. Their excellent performances are due to the students ability and the coaches help. The girls coaches are Mr. Argyros, Mrs. Shaffer, Mr. Scott and Mr. Ridgeway. Mr. Feudale, Mr. Grimm and Mr. Hunt lead the boys team. The dedication of these coaches has help build this team into what it is today! Katrina Kozarek is on the girls team. When asked what she thought, Katrina replied, "The team is jacked up!" The girls have had an outstanding season so far. The boys team worked equally hard and it shows. Jason Pacchioni commented, "Track is a lot of hard work, but it's worth it. It pays off and is really fun." Both of these teams did an excellent job and they should be proud to represent our school.

Each year Student Council elections are held in the first few weeks of school in homeroom. Two people are elected from each homeroom. These students act as representatives to organize the activities that the group sponsors. This year the Student Council is led by advisor Dr. Millie Pipman and senior co-presidents Sean Booker and April Kirchartz. April commented, "It's really fun to organize the activities and then see them all come together."

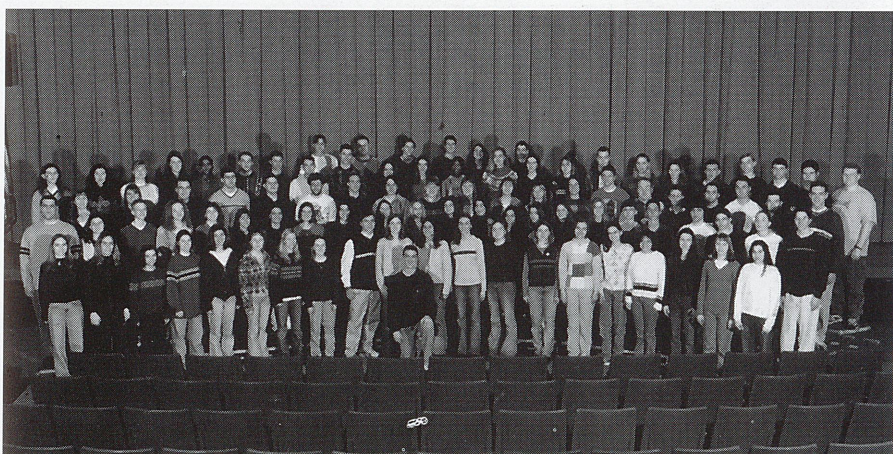

Many activities are held throughout the year for student enjoyment. They include Homecoming, Sadie Hawkins Dance, Matchmaker, King of Hearts, and the Prom Fashion Show. Student council also supports the community through the Telethon which benefits the Salvation Army and the Blood Drive which benefits the Red Cross.

Good Morning Kiski. It's slogan: refreshingly new - and that's exactly what it is. Every morning students rely on this program not only for important announcements, but also for a wake up call to get out of their 7:00 doze. The new changes made to the former KAE -TV have made this year's morning announcements memorable ones. There has been everything from Chris Daley and his weather helicopter to Missy Gibbon with sports, and even a new holiday appropriate background for the regular announcements. All of these changes did not come easily, though. Much hard work and dedication was put forth by station manager, Jim Albarano. Jim is responsible for the technical aspect of KAE -TV as well as many of the changes behind the scenes that have played a major role in improving the morning announcements. Elissa Doyle, staff manager, commented on the change by saying, "We wanted to try something new this year, that's why we have tried to change everything from the introduction to the rolling of the credits. I think that the hard work paid off!" It certainly did from the reaction of the student body. Instead of just sleepwalking out of homeroom each morning, students are waking up by discussing and laughing about that morning's Titanic spoof or any of the other numerous entertaining things that happen on G.M.K. Not only does it provide useful information, but Good Morning Kiski starts students' days off in a REFRESHINGLY NEW way.

Do you like Jeopardy? Have you ever watched a game where they asked a question no one knew the answer to but you? Well the time has come for the students to start answering the questions, welcome to Quiz Team.

The Academic Quiz Team is an organization where students meet twice a week during lunch period to practice answering questions on everything from athletics to zoology. The five students with the most points in the varsity section (seniors and juniors) and the five junior varsity (sophomores and freshman) members with the most points are selected to compete in several different Bowls, or Quiz Leagues. Between each meet, the points are restarted and five new people are chosen based on their scores. The Quiz Team sponsors this year are Mrs. Reynolds, and Mr. Moore. Mrs. Reynolds has been directing the Quiz Team for some time, and she says it is because, "I like the enthusiasm of the students and the opportunity to compete against other schools." The students agree as stated by Matt Pierce, "I like Quiz Team because I like Jeopardy and meeting new people. Where else can you combine the two?"

The students leave for the quiz team meets before first period and do not get back till around sixth or seventh period. The meets are run pretty much the same in both leagues. Each team of five will sit at a table with five buzzers, when a question is asked it is a free for all for all ten, the first team to answer right gets the points. The only special match is at the end of the Strongland League, the final showdown is a televised evening match. Right now the Quiz Team is in the lead of the Strongland League, and fighting to advance in the Mt. Pleasant League. Hopefully at the end of the year, they will be bringing home two traveling trophies to rest at Kiski for the time being.

In 1996, Miss Carisa Mattu, with the help of then juniors Kristen Kimble and Ian Magness, reestablished the pride Club. They worked hard to make the club as successful and productive as possible and, thanks to their efforts, this year's Pride Club was a great triumph for all those who participated in it.

Due to the dedication of the members and the direction of Miss Mattu, the Pride Club achieved many great accomplishments during the 1998-99 school year. For example, the Pride Club has headed numerous assemblies to endorse all sports teams and hosted such events as the Powder Puff football game and talent show. In addition, the Pride Club has done its share of good deeds. Members have collected non-perishable items for those less fortunate, held several school clean-ups, and brightened the holidays of those in nursing homes with Christmas carols.

When asked to describe the goals of the Pride Club, Miss Mattu commented, "Our primary objectives are to provide school and community services and to foster school spirit."

To ensure organization within the Pride Club, an executive committee was formed. President Pamela Smiesko offered her thoughts on the idea of an administrative council for the Pride Club. "We needed to have an executive committee because of the size of the club. There had to be a group of people to make sure that things were getting done. This year's executive committee has done an excellent job and I hope it continues throughout the years."

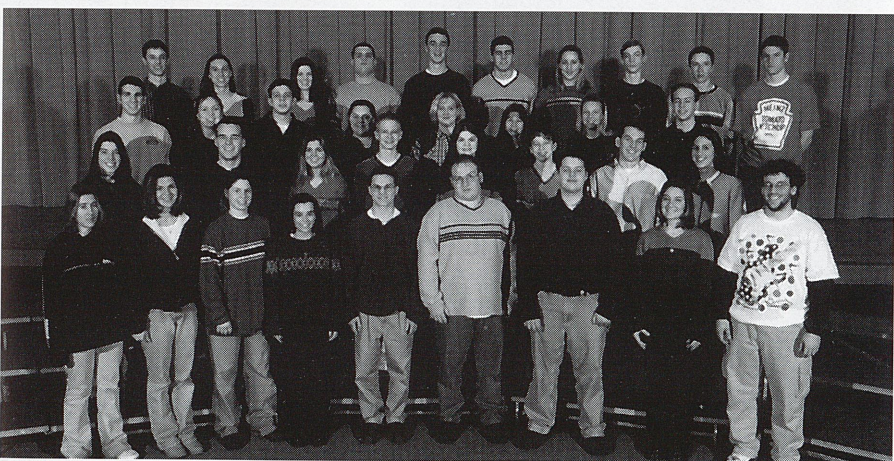

The Pride Club was designed to bring back school spirit and unite any and all students who are interested in making Kiski Area a more enjoyable place. The Pride Club is a wonderful organization that has helped to make Kiski the outstanding school that it is today.

Lightning crashes, as a deep mysterious fog rolls everywhere. In the background a haunting melody rises, and suddenly a ghostly figure appears. No, you're not at a haunted house, you're at the Kiski Auditorium, the site of the recent drama, *The Uninvited*, the extremely successful production this year that utilized extraordinary special effects like intense lighting, and a fog machine!

Kiski Area has only recently restarted doing dramatic productions. The year 1988-89 marked the end of drama at Kiski for at least half a decade, when *The Odd Couple* was performed for the first time at Kiski. Indeed many seniors might remember the return of drama with, "Oliver Twisted," and "Nicholas Nickleby," which were performed during our freshman year. Since those fateful two one act plays, Kiski has done both a play and a musical each year, as the return of theater to Kiski was greeted with great enthusiasm.

The Uninvited was directed by Mrs. Slater, who was also the director of last year's *Barefoot in the Park*. When asked what she enjoyed about directing *The Uninvited*, Mrs. Slater responded, "It gave me a chance to do something I've never done before, and allowed me to stretch myself as a director." This year also saw the final High School Performance of Jeremy Burkett, High School Senior who has cast a lead role in three of the last four productions at Kiski Area High School. When asked what he thought was different about *The Uninvited*, Jeremy answered, "Mrs. Slater was more experienced, worked with more people, and the drama/horror aspect was more challenging than the previous comedy play, and I enjoyed it tremendously." Everyone seems to share Jeremy's enjoyment of the play, as is seen by sophomore Phil Stewart who said, "The wonderful cast, crew, and director of the play made it a really great experience."

Need help with the card catalog or just can't find the book you need for your research paper? Well, just look to the library aides! During study halls and homeroom, students volunteer their time to work in the library. They help to make Mr. Kulas' job a little easier.

The library is also a quiet place where students can study and look up information for any important paper. Megan Holt, senior, says she enjoys being a library aide because it allows her peaceful time during the day. She gets a few minutes to relax and gather her thoughts before heading to her next hectic class. So the next time you need a little assistance finding a specific magazine or book, look no further than Kiski's own library aides to guide you in the right direction.

The pep band plays each week for the pep assemblies honoring the different sports teams. Being a member of any band takes a lot of time and dedication. They practice year-round, both after school and in the evenings.

Casey Conroy and the rest of the auxilliary strike a pose at the end of the ballad of this years half-time show. This year, the Marching Band competed many times in preparation for their trip to Nationals in Indianapolis, Indiana, where they placed 6th in the country!

I've got Rythm

Throughout the year, the talents of Kiski Area's Instrumental music program can be heard at pep assemblies, concerts, jazz festivals, and on the marching field. Hardwork and determination are definetly key factors to their success.

One of the groups that a musician at Kiski can belong to is the marching band. In addition to playing and cheering at football games, this year the band did a spectacular rendition of 'West Side Story' as their on-field show. All the months of hard practice paid off, however, when the band won and placed in many local competitions, and placed second overall at the Bands of America Regionals in West Virginia. Although all these accomplishments were wonderful, nothing could top the B.O.A. Grand Nationl Championships held in Indianapolis, Indiana. During semi-finals the band placed second in their class winning thr high general effect caption. Then in finals, they placed sixth overall out of 80 of the best bands in the country. This is certainly a major accomplishment and shows how much they have to offer.

After marching band season, concert band begins. There are two concert bands at the high school, the symphonic band and the windensemble. This year under the instruction of Mr. Wozniak, Mr. Koter, and their student teachers, these bands put on many wonderful performances. Many of the talented students in these groups were able to try-out for other bands such as, the Alle-Kiski honors band, P.M.E.A. honors band, and the County band. As always, the talents of these groups made for great listening.

If symphonic music isn't your style maybe a trip to one of the Jazz festivals would put a smile on your face. These groups are always out to have a good time and entertain the crowd with their amazing jazz skills. There are three jazz bands at the high school, all of them superior.

So there you have it! All the amazing musicians that are around our school know how to try hard and care. Just like any sport or activity these groups are out to do their best. Junior Paula Begovich stated, "Band is an awesome experience!"

singin' & dancin'

Do Re Me... Simple enough, right? Not if you expect a pleasant sound. It takes a lot of talent to be able to sing well. Luckily, Kiski Area is full of eager students willing to show their natural talent and learn new techniques. Each year the faculty, students, and community are amazed at the vocal abilities of the Kiski Area Choirs. Under the instruction of Mrs. Ellen Rupert, the chorale, concert choir, and girls show choir have once again proven they have what it takes to impress and interest an audience.

During class the students sit in divided sections and practice. They learn how to harmonize, listen to each other, and read music. Chorus class is becoming very popular and many new students are joining each year. When asked how she felt about the chorus program, Mrs. Rupert replied, "I'm pleased that the choral program continues to grow in high school. With 312 students in the choirs, we have more students involved this year than in any other previous years."

In addition to concerts here in Pennsylvania, students have the opportunity to travel and compete. Each year the chorus students go to a different destination to compete in a national competition. They have gone to places such as Toronto, New York, Chicago, and this year, Virginia Beach. These trips allow students to hear different types of music as well as new styles. In the past, Kiski Area Choirs have always come home with superior ratings, and this year is no exception.

Chorus is a great activity. The students and Mrs. Rupert work long and hard to put together a show everyone is sure to enjoy. It allows the students a chance to show their talent and demonstrate what they've learned. Mrs. Rupert and all of the choirs deserve a round of applause for not only their talent but also their hard work.

Student Life

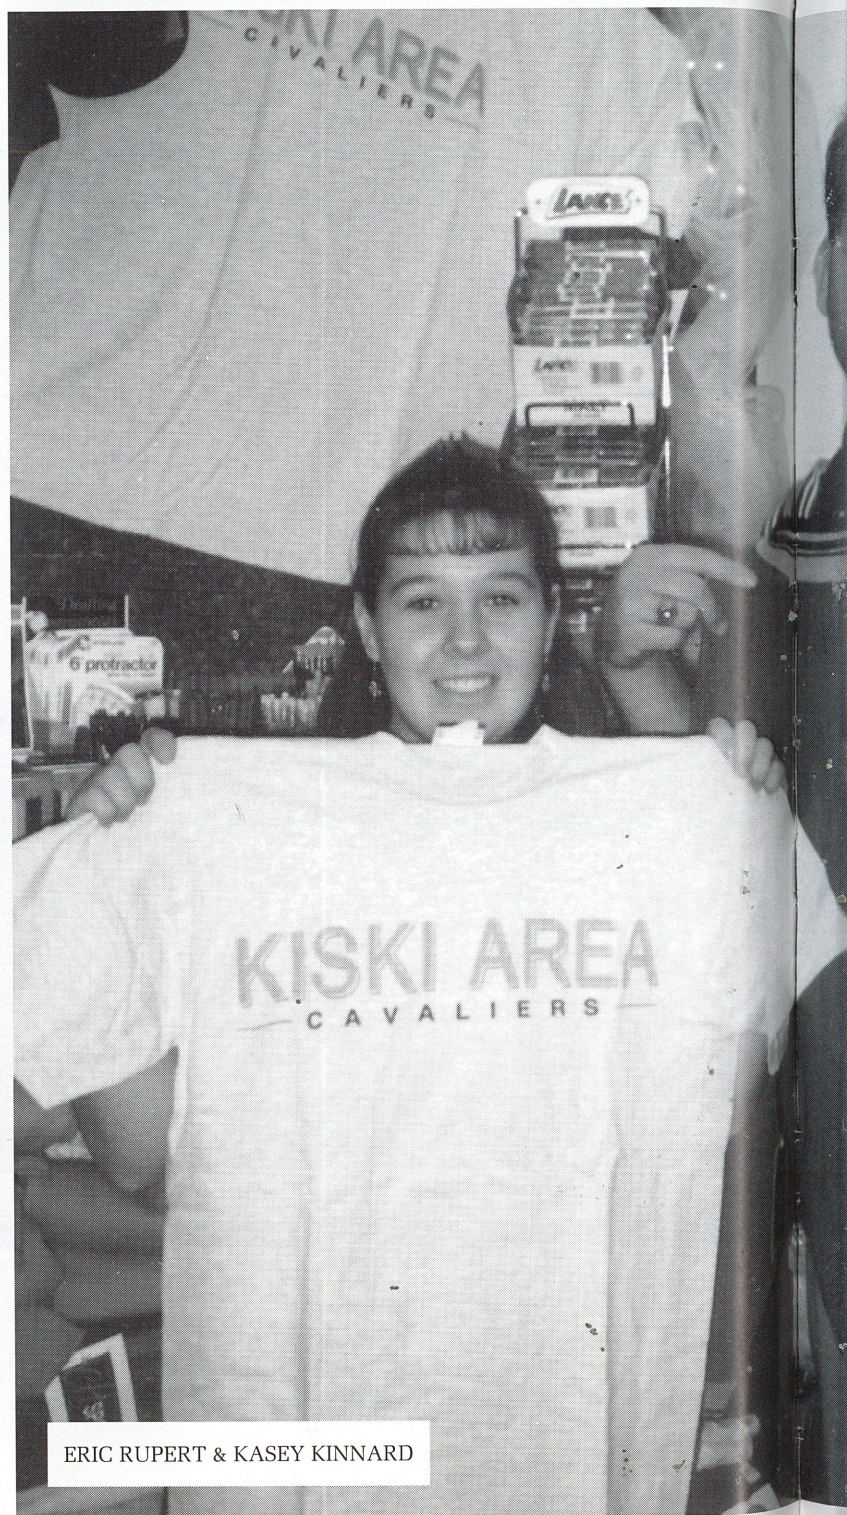

Taking Care of *Business*

The student store is a necessity to most students. During both homeroom and lunch periods, students are constantly buying gum, candy, pencils, notecards, and Kiski Area attire. The student store is not just a store for students to purchase items, but it is also a learning tool for the business education students. It is run by Ms. Mag and Mr. Schaeffer. Business students work with helping customers, running the register, balancing the books, and other aspects of managing a business. So next time you get a chocolate craving, your pencil breaks, or you want to show some school spirit, just make a visit to the Kiski Area Student Store.

CARLA ESHENBAUGH

DAVID BURKETT & CHARLES GEARHART

Students *helping* Students

Helping out, giving, trying to let people without the same benefits as you feel equal to you. This is a description of what the members of the club Buddies in Life do. Students can sign up to help the class read, spell, do math problems, and play games. If students do not have a study hall, they can have gym class with the Life Skills students during the B lunch period.

The time of the Buddies does not go unappreciated. Students are always greeted with a smile when entering the Life Skills room, especially from Summer and Tequila, who are very friendly. If they are lucky, they may even get a joke from David. Always be prepared though because Jeffrey, David, and Paul are quite the pranksters. They can trick anyone into checking to see if their shoes are tied.

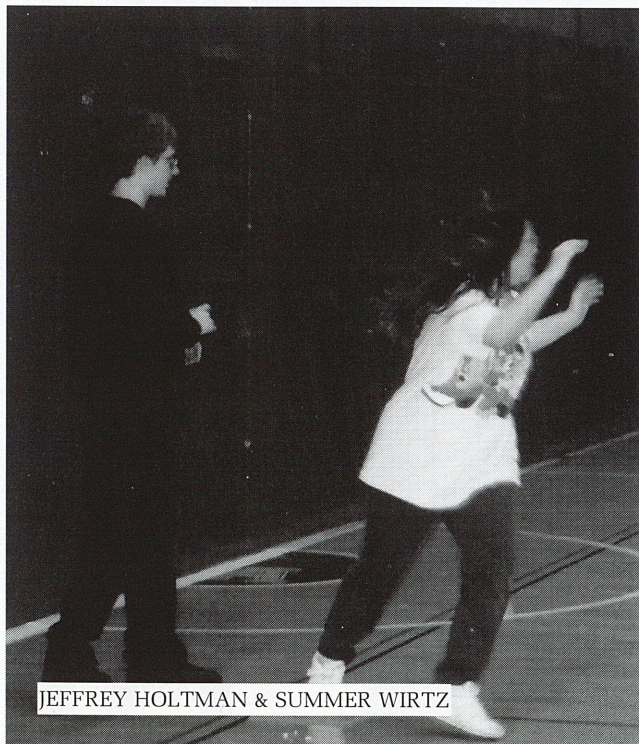

The class is not all fun and games, though. A lot of hard work goes on in the Life Skills room. Ms. Leezer and Mrs. Donatti must have done a good job teaching them their math problems judging by Carla's speedy math skills. Also, there is an artist in the class. Charlie is very talented in art. He comes to school before his classmates so that he can take art class.

"Getting to know the students' personalities is probably the best part of being a Buddy. They are each unique in a very special way. They are also very grateful," says senior Sheila Shurina. All students are welcome to join the Buddies. If they are looking for a fun way to spend study hall, they should definitely consider it.

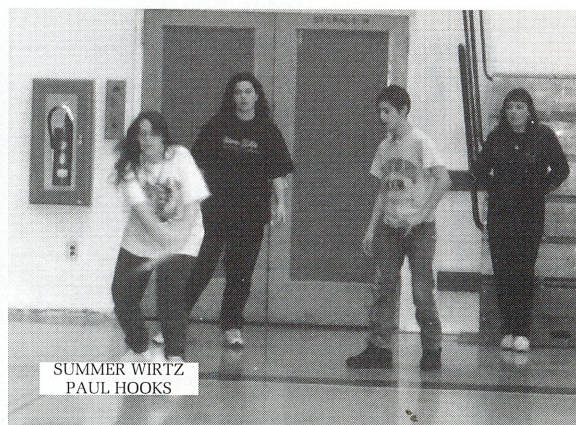

"I enjoy working with the students because it is very fun. It is also very rewarding," says junior Nathan Arabia. It certainly is a rewarding experience. Giving up just one study hall a week can really make a difference. You will gain a guaranteed greeting in the hall and a bright smile everytime you pass these students and their teachers.

Megan Magee, a senior, says, "I really enjoy working with the Buddies because they put me in a good mood. They're always smiling." If you have a free study hall sometime, donate your time to someone who will really appreciate it. You'll be glad you did.

MELLANIE CERASO & AMY HEPLER

JODI JARMUL & ERICA CURCI

Aren't we lovely? These goofy seniors celebrated their final 6th period gym class with Mrs. Rossi by wearing their gymsuits around all day! Mandy Jones, Missy Gibbon, Tia Callaghan, Cynthia Brougher, Rachel Resnick, Amy Boland and Wendy Luffy wanted to go out of KA gym classes in style!

Juniors are responsible for selling candy to help build up their account for their senior year activities. Here, Rebecca Stedrak, Chrissy Zimmerman, Candice Roberts and Kristan Weber try to persuade fellow juniors to buy some of their candy.

The yearbook staff would like to thank all of our advertisers for their support. Without your help, we would not be able to keep the price of the book to a minimum.

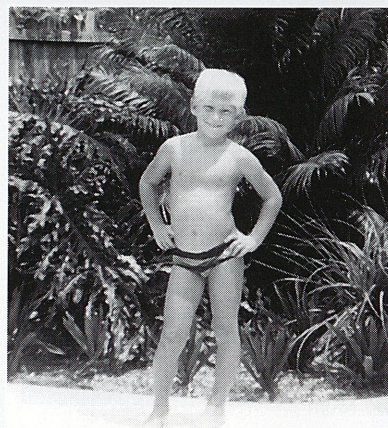

Tara,
You have always made us proud and amazed with your intelligence and determination. The whole world is waiting for you now! We love you very much and will always be here for you.
Mommy and Daddy

Corey,
We are so very proud of you, not only for your accomplishments, but for the person you have become. Good Luck in the coming years at P.T.I. and may your future be healthy and that all your dreams come true.
All Our Love,
Mom and Dad

Larry,
It is so hard to believe you are a senior and about to graduate. You have had a very hard and difficult road to reach your senior year. Thanks to your will to succeed, you have proved a lot of people wrong. That yes you can succeed when you have "special people" that believe in you and you believe in yourself. Congratulations Larry you made it! Good luck at ITT Technical Institute. May all of your dreams come true.

Love,
Mom and Dad

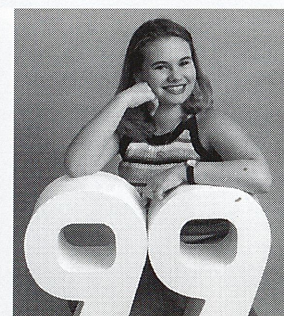

Congratulations Patrick!
This year with you has been one of the best!! I am very proud of you, Patch & love you so very much!
Mum

Congratulations on your graduation, Brad! You have always been a very hard worker. We know your continued efforts will make you successful in the future. You have always made us very proud to be your parents.

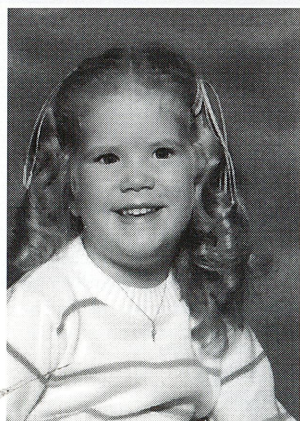

All our love,
Dad & Mom

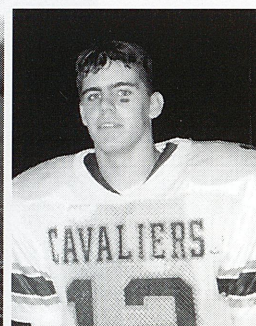

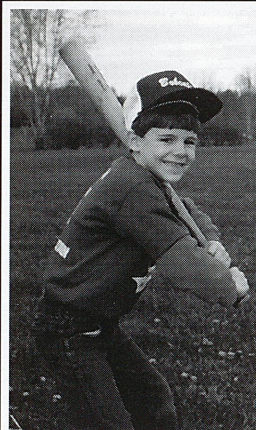

Dear Lisa,

It has been such a joy watching you grow through the years. You have become a very responsible individual. Your intelligence, enthusiasm, and personality will guide you down the road to success. Always remember to follow your dreams. We are so very proud of you and love you very much!!

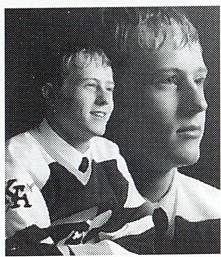

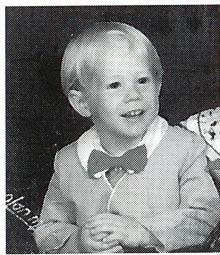

Love, Mom & Dad
Grandma & Papa

To our Jules: You are the jewel of our lives. May you always sparkle bright for the whole world to admire.
Love,
Mom, Dad, Jeff and Jen

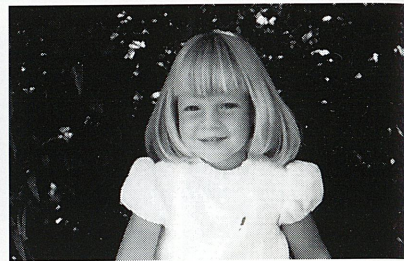

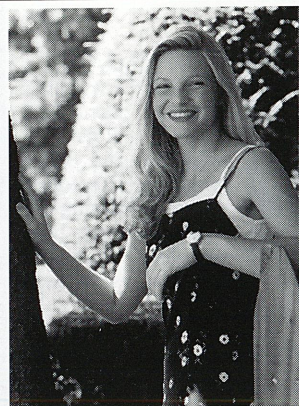

BJ,
We're so proud of you! We love you. May you find happiness and be successful in all you do.
Congratulations!
Love,
Mom, Dad and Tami

Shane,

Congratulations! We are so proud of you. You have always been a great blessing to us. We are sure you can accomplish anything you desire. You can overcome any circumstance. The world awaits you and you have much to offer - your integrity, your sense of humor and your diligence. Good luck at Penn State! Go get 'em, Mr. Hooha! All our love, Mom, Dad, Arianne & Ross

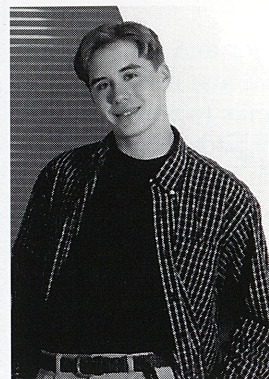

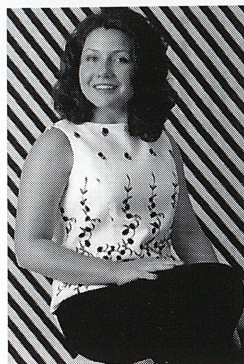

Rachel,

How quickly you grew up from a cute little girl to a beautiful young woman. We are proud of the person you have become. May all of your dreams come true.

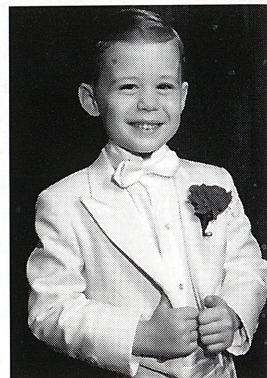

Love,
Mom, Dad and Kevin

Dear Amber,
To our beautiful little girl with her million dollar smile. You were truly a gift to us and have made us very proud. We wish you all the Love, Happiness and Success in all you do. Good luck in college. We're going to miss you so much! We love you, Dad and Mom

Josh,
You have always marched to the beat of your own drum... May its rhythm lead you to the fulfillment of your dreams! We are proud of you!
Mom, Dad and Jason

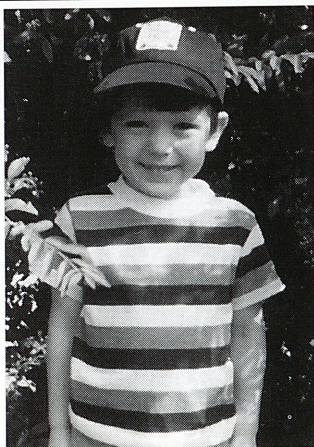

Kristin—We just want you to know how very proud we are of you. You have come a long way. Keep focused on what is important. You are a good daughter, and we are lucky to have you in our lives. Good luck at Sawyer's. All our love, Mom, Dad and Tiffany

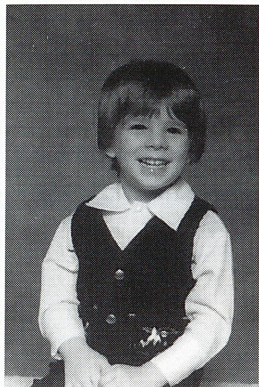

AnnaMarie,
It is easy in this world to appear to be the same. To look, dress, act. To be just one of the many. But that's not you Anna. You were born with the courage of a Warrior and the heart of a Lion. Tempered with grace and compassion, you will change the world. As surely as you have changed our world. With you we've laughed, cried and sometimes screamed, but through it all we loved. Take care our Anna
Love,
Mom, Dad, Frank and Aunt Katy

BJ,
You have grown from Legos and Transformers to cars and dreams of being on your own. I am so proud of the man you have turned out to be. I will always be here for you. Seize the moment!
I Love You,
Mom

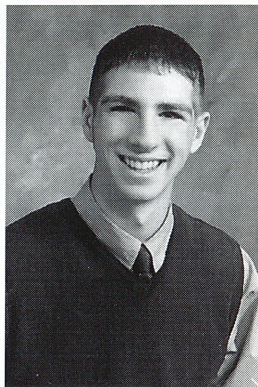

Dan,
We've watched you mature from a happy, fun-loving energetic child into an easy-going, confident young man with a great sense of humor. Don't ever change. We're proud of all of your accomplishments, and we're looking forward to you achieving all your future goals with the hard work and dedication you have shown in the past. We wish you success and happiness in your future endeavors. May all your hopes and dreams come true. We are proud of you.
Love You,
Mom, Dad, Carolyn, Beth and Matt

Dear Lauren,
Congratulations!
We are very proud of you.
As your journey continues,
remember to live life to the
fullest, and meet each new
adventure with joy and
confidence.
Much love always,
Mom and Dad

Congratulations! We are so
very proud of you. Remember
the yesterday's lessons and
experiences must be used
wisely today to create a better
tomorrow.

Love,

Brandy,
You are always in our
hearts and minds. We know
you will go far. May GOD
travel with you all the way.
Love You,
Mom and Dad

Dear Shannon:
Thank you and Congratulations on your successful years at Kiski. Your hard work
has paid off, as shown by your admittance to NHS. You have always made us proud
and are well prepared for your admittance to St. Vincent. Good Luck.

Love,
Mom and Dad

James,
We are very proud of you, you
have filled our lives with so
much happiness and love. Our
prayer for you is that God will
bless you abundantly with
health, happiness and success.
All Our Love,
Mom, Dad and Dana

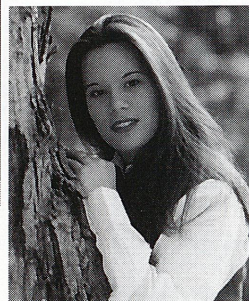

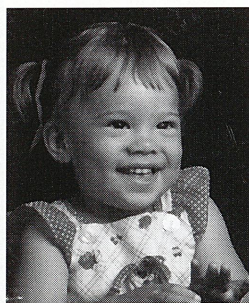

Lisa,
You are coming to the end of a wonderful time in your life. You need to
go out and face the world. Take everything you learned and begin your
journey into the future.
Love,
Mom and Dad

Francine,
All grown up and pretty as
can be, you're still our baby
and the last of three.
Love, Mom & Dad

Heather,
We have always been proud of you. Keep up the good work
and you will always do well and go far.
Love,
Mom and Dad

Crystal,
From our precious
little pigtail baby, to
our beautiful young
lady. We are very
happy and proud to
be your parents. We
love you for the
person you are and
the things you do.
You are very special
to all of us and we
will always be there
for you.
Congratulations!
Love, Mom, Dad and
David

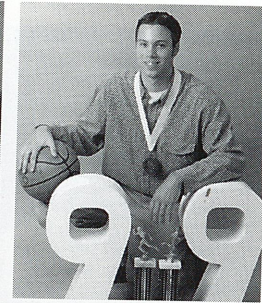

Nicole,
The years have gone by so
fast. You've grown to be a
beautiful, bright young
woman. We are so proud of
you. Good Luck at Gannon
and with all your future
plans.
Love you,
Mom, Dad, Michelle and
Adam

Christie,
You've gone from being Dad's
Punky, Mom's Bella, and Sissy's
Sterby to our beautiful Christie
Anne. You mean more to us
than you will ever know. We're
so proud of you — not only for
your academic accomplishments
— but for the person you have
become. We'd wish you good
luck at Mt. Union, but we know
you won't need it! Going away
to college will be harder on us
than you! We will always be
here for you!
Love,
Mom, Dad, and Sissy
P.S. Please take your cat with
you, love Sis!

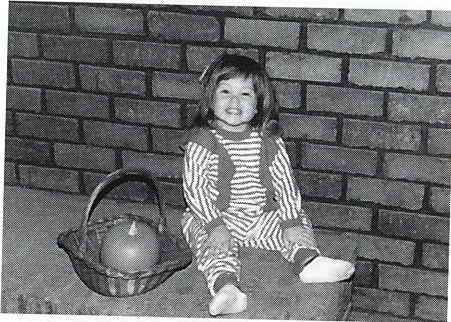

Anna: Taking you to all your practices, meets, lessons, nursery school, etc...those were wonderful times that we truly enjoyed. Can't believe it went so fast. We are proud of the exceptional granddaughter you are. Always keep your beautiful smile (Brush your teeth!) We love you forever.
Grandma and Grandpa

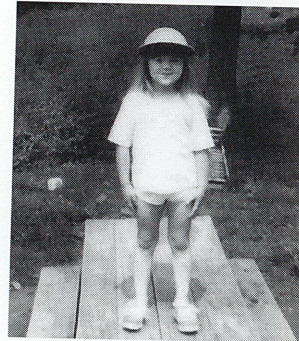

WAY TO GO TIM TURTLE!!!
You have reached many of your goals so far, and we are all proud of you, Tim. Keep your strong confidence in yourself throughout your college years and we're sure success will follow.

LOVE YA TIM!
Dad, Mom, Dennis, Danielle, Jessica and Ibby

Arina: From 2-12-81 you have given us wonderful memories that we will cherish forever. We are so proud of all your talents and accomplishments. With determination and willingness we know that you can reach your goals. You have our love today and every day to come. It is yours to keep.
Love, Dad, Mom and Jimmy

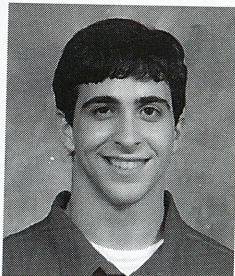

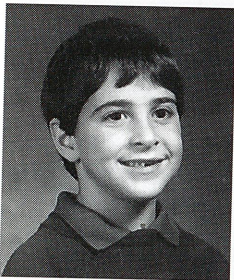

Dear Katie—
This space nor this page or entire book has enough room to say how proud we are of you and all your accomplishments. Stay as you are and keep on smiling.
Love,
Mom and Dad

Justin,
You are fast becoming what you are soon going to be, and we are proud of you for it.
Our love always,
Mom, Dad and Chelsea

Brandi,
It seems like only yesterday that you were in kindergarten. Where has the time gone? Good luck at IUP. We know you'll do well. We are very proud of you.
Love,
Mom and Dad

Derek: Nana's hero, Sarah's little brother and my youngest! Graduating! You've made unpopular decisions, but nothing that can't be corrected. I hope all your troubles are behind you now, and your life will only be what you desire. My dreams for you are only positive. Good luck, son!
Love, Mom

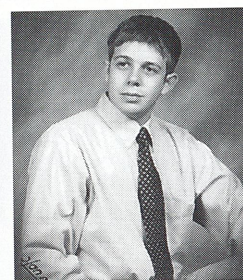

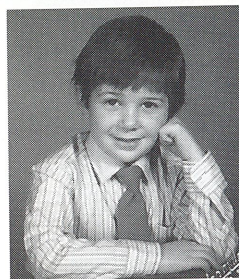

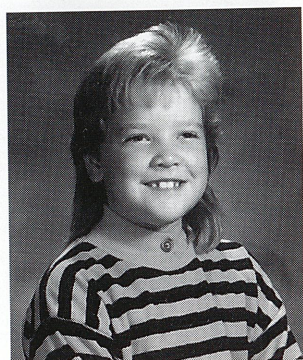

Dear Lisa,
Congratulations! We are very proud of your many accomplishments. You are a beautiful person whom we are proud to call our daughter and sister. May the Lord watch over you and guide you always.
All our love,
Mom, Dad, Ashley and Taylor

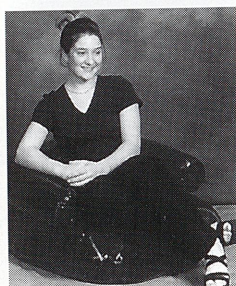

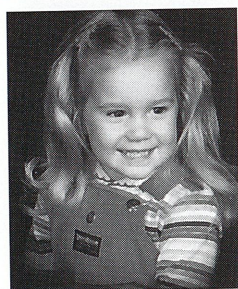

Ray,
 Congratulations! We
 know that your
 brightest days are
 yet to come, as you
 start at Penn State.
 We are proud of
 you. Our love and
 prayers go with you
 wherever you go.
 Love,
 Mom and Dad

Angie,
 Congratulations! Just want to say that wherever life
 takes you from here, I will always be there for you.
 Love, Dad

Ang,
 You made it sunshine/kiddo.
 We never doubted you.
 Remember you always have a
 choice. You choose your path
 and let your conscience guide
 you.
 We love you,
 Mom and Mike

Joey,
 Just yesterday it seems you started kindergarten and already you are
 graduating. You filled our lives with so much joy and love. We are
 very proud of you and love you. We will always be your biggest
 fans.
 Love, Mom, Dad, Tim and Laurie

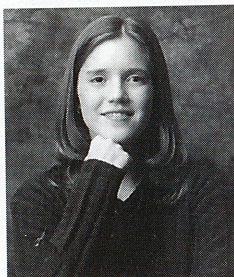

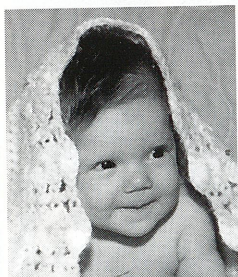

Dear Steph,
 May all of your dreams come true. You've grown up
 to be a beautiful young lady. We are so very proud of
 you!
 We Love You,
 Mom and Dad

Mandy Jones

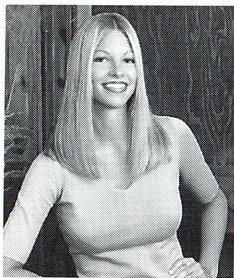

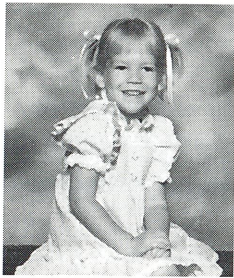

Mandy,
 Words cannot express all the pride
 and happiness you have brought
 into our lives. Watching you grow
 and achieve, with all your
 dedication and self-motivation, has
 been so inspiring to us. You are
 certainly on the road to success.
 May all your dreams come true.
 God Bless.
 Love,
 Mom and Dad

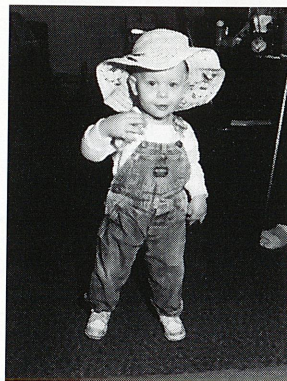

Missy,
 You've grown so
 quickly, such a
 beautiful young
 woman you are. I am
 so proud of you and
 all you have
 accomplished. Keep
 running for the stars
 and I'll bet you'll
 have the moon.
 Good luck at Pitt. I
 Love You,
 Mom

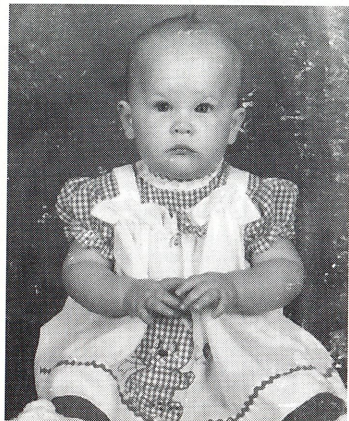

Our dearest Natalie,
 We are truly blessed to have
 such a beautiful daughter. As
 you embark on a new journey
 may God richly bless you.
 Don't ever forget that God will
 never lead you where His
 strength cannot keep you.
 Love,
 Mom, Dad and Nathan

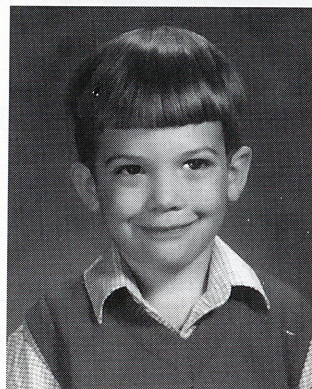

Dear Natalie,
With your beautiful smile and fun loving ways, never forget your goals and what all you have accomplished. We will never forget our little "FeeFee" tumbling in gymnastics to twisting in diving. We all love you very much and will never forget when you said, "O.K. I'll take Milton." We wish you joy and happiness throughout your lifetime.
Love,
Mom, Dad, Jenelle and Clint

Christi,
Congratulations. I am very proud of you, for your accomplishments and the beautiful person you have become. Your kindness and warm heart will always make you an enjoyable person. You have filled my life with beautiful memories as a child and a young woman. May you be able to accomplish all your goals. Good Luck at the Culinary Institute.
Love,
Mom

Congratulations, Rebecca!
We're proud of you and all you have accomplished! The future awaits you with open arms...don't be afraid of it...go for it! You've got what it takes to reach your goals.
All our love,
Mom and Dad

Greg,
We couldn't be more proud of you! God really blessed us eighteen years ago, and now He has a very special plan for you. We know you will be a success wherever that path may lead. We will always be here for you!
Love,
Mom & Dad

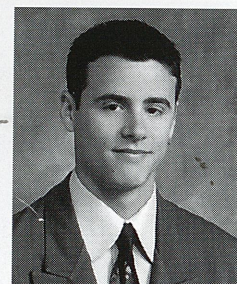

Pooh Bear,
I knew from conception that you would be a very special gift from God, now God and I give that "very special gift" to the world.
GO FOR IT BABY!!
Love and abundant blessings always,
"Momchique"

Erica,
There hasn't been a dull moment since you came into our lives. You've worked hard to get where you are, and it shows. You'll always be our "little star." Keep up the good work "FRED." We are so proud of you.
Love,
Mom, Dad, Bo and Em

Louis and Jason,
It's been an honor and a privilege to have you two in my life. I am very proud of both of you. Good luck in all you do in the future. All my Love,
Mom

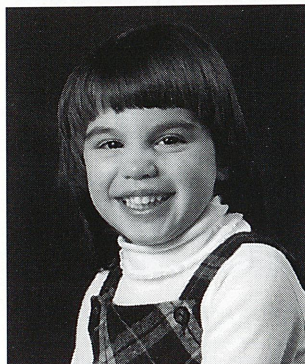

Louis,
It's hard to believe that 18 years have gone by; it was a heart beat. You have always possessed good common sense and intelligence. Your good heart, mind and morals will carry you through college and allow you to be whatever you want and go as far as you want. This is the best time of your life. Work hard, take care of yourself, and enjoy it!
You done good!
Love Always,
Mom and Dad

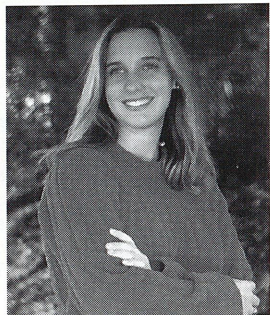

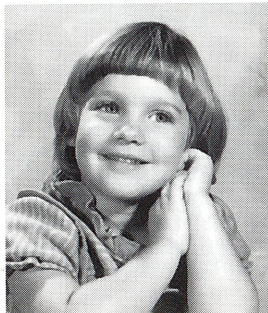

Kiki,
I'm so proud of you and all of your accomplishments. You are everything I thought you would be and more. The road you chose to take is proof that you are ready to handle what lies ahead. I thank God for you everyday. You are truly a wonderful daughter. We love you so very much and wish you the best life has to give.

Love,
Mom, Fred and Natalie

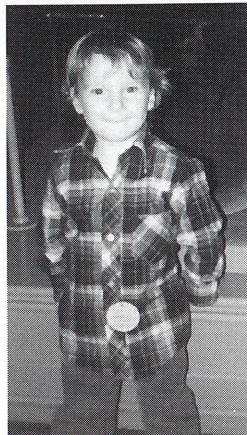

We are very proud of you. We wish you love, success and happiness always, and we hope that all your dreams come true.

We love you!
Mom, Dad, Alison and Joseph

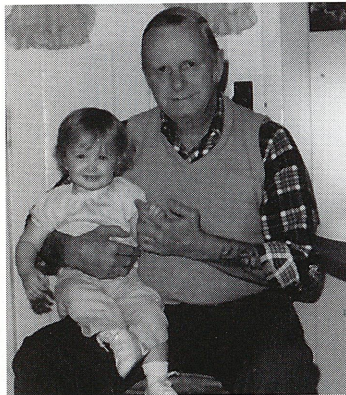

Heidi,
Just want to take this opportunity to let you know how proud we are of you and the person you have become. It has been a joy watching you grow into such a wonderful young lady. Always believe in yourself and keep your eyes on your goal and you will succeed. We love you!
Dad, Mom & Heather

Greg,
You have always been the type of person that made us proud to say "GREG IS OUR SON!" From when you were a child to now that you have grown into a fine young man, you have made our job as parents much easier than we could have hoped for. We thank you for that. May your dreams of a bright and successful future be fulfilled. More importantly, may your life be full of the love and happiness which you truly deserve.

We love you,
Mom and Dad

Dearest Shauna,
To dream of the person you would like to be
Is to waste the person you are.

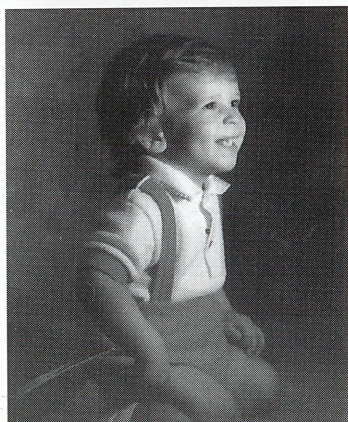

Never forget for a single minute,
You didn't grow under my heart, but in it.

Love,
Mom and Dad

Congratulations Sean Booker for ALL of your wonderful achievements over the last 18 years. The sky is your limit! We believe you can fly...so go ahead. Soar with the eagles and always look up to the Heavens' from where cometh your help and strength.

Study hard and stay focused...Remember...Winners never quit and quitters never win...You are a winner. We love you always...We are very proud of you!
Mom and Dad

Adam,
It's been such a joy watching you grow into the person you are today. We are very proud of all you have accomplished. You have a special gift—you make people laugh—never lose that. We love you and wish you all the best that life has to offer.

Dad, Mom, Michael and Amy

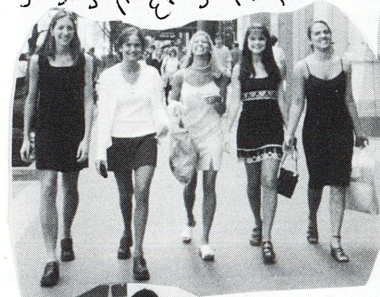

April,
You're graduating! We have always been proud of you. Good luck in your college years.

Love,
Mom, Dad and Sean

"Who knows how long this will last
Now we've come so far, so fast
And somewhere back there in the dust
that same small town in each of us...
I need to remember this so...
Let me take a long last look
before we say good-bye."
